8 Persons Hurt in 18 Accidents This Week

Two Men Injured in Auto Train Crash at 22nd St. Crossing

A series of 18 traffic mishaps, including an auto-train collision, resulted in injuries for eight persons this week in the Quad-Cities.

John H. Singer, 64, of 2308 Ohio avenue, and a passenger, Walter McCoy, 78, of 2512 West 44th street, complained of pains after the Singer auto collided with an Illinois Terminal Railroad train operated by K. B. Cook, engineer, of Edwardsville at 9:10 a.m. Tuesday at the 22nd street crossing. The two men were taken to St. Elizabeth Hospital for treatment.

Woman Injured

Joyce Birk, 27, of 2433 Iowa street was injured in a three-car pileup at 4:40 p.m. Tuesday at 20th and State streets when the left front of her auto was struck by a car driven by Milveria Davis, 1229 Logan street, Venice. The Davis car then hit the right front of an auto driven by Hector Martinez, 1717 Spruce street, who was halted at a stop sign on State.

The injured woman was taken by ambulance to St. Elizabeth Hospital, where she was treated and received x-rays to the skull, left shoulder, left elbow, forearm, wrist and hand and was released. The Davis woman was charged with a right-of-way violation with a control present.

Bike Hits Auto

John Kevin Cox, eight, son of Mr. and Mrs. John Cox, 23 Briarcliff, was injured when a bicycle he was riding struck an auto driven by Hazel Hafley, 132 Briarcliff, who had pulled into a driveway to turn around at 19 Briarcliff at 1:15 p.m. Monday.

The boy was taken to St. Elizabeth Hospital, treated for lacerations to the upper lip and contusions to the lower abdomen. He was released following x-rays of the skull, pelvis and face.

Mrs. Elizabeth Kasprovisch, 2401 Jordan avenue, was injured when an auto in which she was riding, driven by Betty Gac, 2641 Washington avenue, was involved in a collision with an auto driven by Sherrie Beck, Shreveport, La., at 12:35 p.m. Wednesday at Wilson and Buxton avenues.

Mrs. Kasprovisch was admitted to St. Elizabeth Hospital with pains in the chest, both arms and legs.

Off-Duty Officer Hurt in Scuffle With Gun Burglar

An off-duty Granite City police officer was injured in a scuffle with a burglar outside of Lee's Gun Shop, 1837 State street, at about midnight Tuesday.

Patrolman Albert Young was struck down the head, with a rifle stolen by the burglar, and suffered a concussion. Nine stitches were required to close a scalp cut, and he was admitted to St. Elizabeth Hospital.

Young said he was leaving the Washington theatre when he heard glass breaking around the corner. Running to the

scene, he accosted the burglar carrying two guns in front of the store and jumped him.

The officer took a double-barreled shotgun away from him, but then was struck by a 30 caliber Winchester rifle.

Young said he lost consciousness momentarily in an area way between two buildings, but recovered and chased the burglar down the alley, where he became dizzy, however, and fell, and the burglar got away.

PATROLMAN YOUNG

He described the thief as being of stocky build, with bushy hair and about 25 years old. He said he received only a fleeting glance at the man's face but was able to select three tentative suspects from photographs Wednesday morning.

"It wouldn't be so bad if the guy hadn't got away," Young said when interviewed at the hospital.

The officer, 27, will be on the force two years in August. He formerly served as city humane officer.

Family Seeks Dog That Bit Son, 2½

Mr. and Mrs. William Wimberly, 4512 Waterloo avenue, are seeking help in locating a small white dog that bit their 2-year-old son, Tim, yesterday about 11:15 a.m.

Mrs. Wimberly said the stray dog came into the front yard where the small boy was playing and bit him on the face. "If we don't locate the dog, we've been told by our doctor that Timmy will have to undergo a series of anti-rabies shots."

The mother caught only a glance of the dog as it ran south on Walter avenue. She said it was a small, terrier type. "I believe it had a black face, but I'm not sure," she added.

The family spent yesterday and last night searching for the animal, aided by friends, and the search is continuing today. Anyone knowing where the dog might be located is asked to call the Wimberlys at 931-4986.

County Advised to Enter Refuse Business

Madison county officials were advised to enter the solid waste disposal business, either through landfills or incinerators, at a meeting of the sanitation committee of the county board of supervisors Monday afternoon.

The recommendation made by F. E. Wisely of Horner & Shifrin, consulting engineers, St. Louis, suggested that three landfills be established at a cost of \$3,380,000 and three 300-ton incinerators be operated at a cost of about \$7.8 million.

No exact locations were specified, except that one operation should serve the eastern section of the county and the other two should serve the Alton and Quad-City areas of the county. Locations should be accessible to highway traffic.

Carl Buehler, assistant Granite City township supervisor and chairman, said the arrangements are being made with Harold Landolt, county board chairman, to hold a special meeting of the board prior to the June 24 regular meeting to act on the recommendation.

Bond Issue Referendum

A bond issue would be required to finance the projects, which it is advisable to call a referendum at the November general election, according to Buehler, who noted that the private landfill sites will be filled in a couple of years.

In view of current controversies over operation of private landfills, the engineers frowned on the landfill system, though it is the most economical.

The incinerator operation would cost householders \$4.60 per year for a house assessed at \$7000, compared to \$2 per year for the landfill plan, Wisely told the committee.

Eight alternate plans, including either both the landfill and incinerator methods, were included in a three-county study conducted under auspices of the southwestern Illinois Metropolitan Area Plan Commission financed by a \$45,600 federal tax grant.

The alternatives included an incinerator off Route 111, an incinerator at Chouteau Island and a Leaf township dump, incinerators at Chouteau Island and north of Alton and a Leaf landfill, an incinerator, truck transfer point and landfill, a Leaf landfill and truck transfer for trash headed for St. Clair county abandoned strip mines.

The report primarily recommended that the county own and operate its own refuse disposal system to maintain control over waste disposal.

Operational costs would be derived through dumping fees, which in the event of landfills would be \$2.30 to \$2.40 per ton of refuse, comparable to fees now being charged by private operators.

The fees could create a fund to provide money to purchase and develop other landfills as the three original landfills are filled to capacity. Completed landfills could be used for recreation areas or other purposes.

Incinerator Fees

Fees for incinerator operations would be \$2.20 per ton to cover costs, the engineers said.

Kozyak Heads GC Park Board

Local Grocer Succeeds Barry Loman; Other Officers are Elected

William Kozyak, a Granite City grocer, was elected president of the Granite City Park district board in an organization meeting last night.

Kozyak succeeded Barry Loman, a bank official who was elected vice-president of the board. Kozyak had been vice-president of the board for the past two years.

There was no opposition for any of the elective posts which were under statutes regulating park districts, includes the offices of secretary, treasurer and park district attorney.

Kozyak was nominated for election as president by Loman. Board member Clarence Bausmeyer nominated Loman for vice-president. The board re-elected Frank Reu as board secretary, John Mink as board treasurer and Randall Robertson as park district attorney.

Elected in 1965

Kozyak, 40, has been in the retail grocery business in Granite City for 18 years and has been a resident of the community for 38 years. He lives at 3141 Fehling road and operates Kozyak's market at 2600 Nemois road.

He was elected to the park board in 1965.

The board last night also adopted an ordinance making its meeting on the second Wednesday of each month a regular district meeting to permit official action on park business during that session, an establishment of the first Wednesday of each May as the date of the board's annual meeting.

The board voted early last night to conduct two meetings per month, on the second and fourth Wednesdays, instead of the one stated meeting per month.

Fourth Wednesday of each month until an ordinance was adopted, however, the additional meeting on the second Wednesday had the status only of a discussion session in which official action could not be taken.

Three May Meetings

In setting the first Wednesday of each May as the date of the annual meeting, the action of the board was advisory.

Delay McCarthy Meet Here After Sen. Kennedy's Death

The scheduled appearance in Granite City Sunday of Presidential candidate Eugene McCarthy (D), was postponed Tuesday after the death of U.S. Sen. Robert F. Kennedy, who was assassinated in Los Angeles early yesterday morning.

Senator Kennedy died of a gunshot wound to the head at 3:45 a.m. today (Granite City time).

Plans to reschedule Senator McCarthy's appearance in the Quad-City area came as virtually all political activity ground to a halt throughout the state and nation in respect to the slain Senator Kennedy, himself a leading candidate for the Democratic Presidential nomination. Circumstances of his death were parallel to those of his brother, President John F. Kennedy, who was slain by an assassin's bullet in Dallas, Tex., in 1963.

Grand Jury Probe Sought on Landfill Bribery Charges

Grand jury investigation of charges of bribes and payoffs in connection with landfill operations was sought at a special meeting of the sanitation committee of the Madison county board of supervisors Wednesday afternoon in the courthouse at Edwardsville.

The charges were made by Robert Ford, assistant supervisor of Wood River township and a candidate for state representative, at a meeting of a joint legislative committee last week in East St. Louis.

Ford, who attended Wednesday night, refused to make a statement on the advice of his attorney, Eldon Durr, who told the committee that a grand jury investigation, using a special prosecutor, is the proper manner to handle the charges.

He also said that the state committee does not want an investigation until it has completed its own.

Durr said that neither Jack Clifford, county zoning officer, nor the committee had taken any action on the charges, but that "certain people would not want to go into this now."

State Atty. Leon Scroggins agreed that the matter could be handled by a grand jury. He said he was called out of a grand jury session last week to testify before the state committee, but that he had testified. He quoted a legislator as saying similar charges are often made before state committees.

Scroggins, who conducted the purpose of this meeting was to have Mr. Ford testify, but he has refused. He then adjourned the session.

Carl Buehler, Granite City assistant supervisor and committee chairman, who opened the meeting, said that the charges are now out of the hands of the committee.

Period of Mourning

Most political activity is expected to remain at a standstill through Sunday which has been declared by President Johnson as a day of mourning throughout the country. The Illinois primary balloting is next Tuesday.

Expressions of sympathy to the Kennedy family, coupled with those of dismay over mounting violence that could lead to such crimes as the senator's assassination, came from area leaders today, following the senator's death.

Cong. Melvin Price (D-East St. Louis) said he was "deeply grieved by the traumatic death of the senator."

Cong. Price added that "this new footnote of irrationality to

Two Cars Derailed on A & S Train Monday

Two baggage-type freight cars on a 53-car Alton & Southern Railroad train derailed about 5:15 p.m. Monday at the Route 162 crossing east of Granite City.

The accident occurred when a steam line dropped on a track, causing the two cars to jackknife, a railroad spokesman said. The train was headed toward Alton.

The cars were near the front of the train and the highway crossing was opened quickly. The main line was cleared by pushing the two cars out of the way. Two wreckers were re-railing the cars on Tuesday.

The baggage cars formerly were used on passenger trains.

GC Youth, 17, Is Injured Diving In Lake at Alton

A Granite City youth, injured yesterday afternoon in a diving mishap at a lake near Alton, is in serious condition today at Firmin Desloge Hospital, St. Louis, where a medical extensive paralysis of the body.

Bill Mathenia, 17, son of Mr. and Mrs. George Mathenia, 2530 Pontoon road, is undergoing further tests this morning.

Council Committee Battle Continues

Repeal Sought for 1964 GC Law Giving Mayor Full Power to Select

Legal opinions felt by the Granite City council session Tuesday night the aldermen voted not to accept four of the five submitted by City Atty. Allen in the mayor-council battle over committee appointments.

Most of the opinions pertained to committee and other appointments. In one it was noted an ordinance adopted Oct. 12, 1964—before Partney became mayor—stated: "The mayor shall appoint the members of all standing and special committees and shall designate the chairman thereof."

On a motion by Moerlein, City Atty. Allen was instructed to prepare a repeal ordinance, the motion, seconded by Boyd, was approved.

With the repeal, the council will return to the 1969 city code which specifies that the mayor shall appoint the members of all committees in the absence of specific directions by the council.

Attorney's Remarks

Commenting on the October 1964 ordinance, Allen said in the written opinion, "As you can see, Ordinance 2181, in amending the code of 1969 gives the mayor quite strong powers insofar as committees are concerned."

In summary, this means that Ordinance 2181 is the latest ordinance and the one which is to be followed. It makes no provision for council appointment of committees, but instead specifically provides for the mayor to appoint the members and chairman."

This opinion was rejected by a vote of 5-to-11, with Moerlein, Whitmer, Rutledge, Fry and Jarrett voting for acceptance. Opposed in the instance were Mayor Partney replied, "You could make such changes every month, and that kind of laws would you have."

GC Chapter Presents 9 DeMolay Degrees

DeMolay degrees were conferred Tuesday on nine members of the "Daniel Ebling Memorial Class" at a meeting of the DeMolay chapter at the Masonic Temple.

The Granite City degree team also conferred degrees on three Wood River DeMolays. Bruce Hawkins presented the "flower talk."

Local DeMolays will march in the Shrine Circus parade in downtown Belleville Friday evening and will participate in the public installation of Job's Daughters officers next Tuesday.

Robert Ebrecht, rifle club advisor, announced that meetings are being suspended for the summer.

Military Service Held Today for Sp/5 G. L. Elliott

In funeral services conducted at 10 a.m. today, full military honors were accorded Army Sp/5 Gerald Lee Elliott, 22, of 4364 Highway 162 at Stallings, who died May 22 in a military hospital in Vietnam of rocket fire wounds suffered on May 10.

The Quad-Cities 19th service-man to die as a result of the war in Vietnam, Sp/5 Elliott was the son of Mr. and Mrs. Gerald H. Elliott of the Highway 162 address, and husband of Mrs. Kathleen (Shaw) Elliott. He also leaves a 14-month-old son, Arthur Terrell Elliott.

A local resident the past 16 years, Sp/5 Elliott was a helicopter mechanic and paratrooper with the First Air Cavalry Division. He enlisted in the Army in March 1963 and had served in Vietnam since November 1967.

Beside his wife, son and parents, also surviving are six sisters, Paula, Kathy, Patricia and Sherry, all at home, Mrs. Jack (Madden) Cook of Granite City, Mrs. Stephen (Mary) Elliott of Alexandria, La., four brothers, Eddie, Bobby and Tommy, at home, and Larry Elliott of West Point, Miss., and his grandparents, Mr. and Mrs. Henry (Lilly) Elliott of Fish, Mo., and Mr. and Mrs. Oscar (Blanche) Adams of Doniphan, Mo.

Funeral services were held at Mercer Mortuary, with military graveside rites at Jefferson Barracks National Cemetery, Mo.

Fund Freeze Stalls Hospital Ceremony

St. Elizabeth Hospital's scheduled groundbreaking for the multi-million dollar expansion has been postponed because of a freeze on federal funds. It was announced during Monday afternoon's meeting of the Lay Advisory Board.

The groundbreaking had been set for June 30, but with the federal grant freeze, the contract award will be delayed. Sister M. Thomas, administrator, said the hospital was advised the freeze of Hill-Burton funds was due to budget changes being made in Congress. "We are assured the \$900,000 grant will be forthcoming as soon as the freeze is off," she told the board.

Austin Witter presided at the meeting at which it also was announced that two lay persons are to be named to the hospital's governing board, which now is made up of Sisters of Divine Providence.

Camp Plans Made By Boy Scout Troop 15

Boy Scout Troop 15, sponsored by Eagles Aerie 1126, met at the hall Monday evening with Scoutmaster Russell Lyons. Films were shown on Camp Sunnen, with Victor Reznack narrating and Craig Tarpoit assisting. The meeting was called to order with presentation of the colors and the members repeating in unison the scout oath and promise.

Reznack, senior patrol leader and master-of-ceremonies, introduced Curt Stover, assistant district commissioner, who conducted the program. A charter was presented to Jack Lehn and Jess Hadley, who serve on the Eagles board of trustees as scouting institutional representatives.

Hertzel Teller, advancement chairman, presented awards to Dan Modglin, Mike Pape, Jim Gleason, Dan and Don Heath, Dennis Brunson, Paul Becherer and Russell Holbrook, with badges going to Reznack, Mike Heath, Tom Beck, Brad Cowan, Dennis Orsey, Dan Modglin and Mike Cain.

Those who advanced to tenderfoot rank were Dan and Don Heath, Glen Halfacre and Paul Becherer. Russell Holbrook, second class, John Kuebel; first and Steve Hagopian, and life scout rank, Tom Beck. Junior leadership training badges were presented to Reznack and Jeff Wittig.

Lyons presented the troop with a 100% Boy's Life and national council participation ribbon and Victor Reznack distributed new training badges. The troop will go to the Lewis and Clark Park for a weekend of camping June 7-9.

Refreshments were served by the auxiliary mothers. Mrs. Dolores Lyons, president of the auxiliary, Jones offered comment that there will be a meeting at her home, 3283 Westchester, to enlighten mothers of new scouts on details of Camp Sunnen.

Vacation Bible School Next Week at St. John

Vacation Bible school at St. John United Church of Christ will be held from Monday, June 10, to Friday, June 14, 9 a.m. to 11:30 a.m. for children in the four-to-14 age group.

The planning committee, under the leadership of the school's co-directors, Mrs. Jean Rawlings and Mrs. Nell Hentzel, is announcing several new features.

They include a different curriculum, with each pupil given a Bible-centered workbook complete with handwork.

Those needing transportation may call the church office.

There will not be a registration fee or daily offering this year, but a single offering will be taken at the closing service in the sanctuary on Friday, June 14, at 7 p.m. Parents are invited to come at 6:30 p.m. that day to tour the classrooms and inspect handwork and projects of the various classes.

Local ISU Graduate

Mrs. Judith Loftus Allen, who will be graduated from Illinois State University at Normal Saturday morning, has accepted a position with the Edwardsville junior high school, to teach English.

She will be among the 1150 graduates to take part in the ceremonies at 9:45 a.m., and will receive a Bachelor of Science degree in Education. Mrs. Allen is the daughter of Mrs. Norma Loftus, 3101 Ash avenue, and the late Joe Loftus.

GOLD STAR FLAG, the first such award presented by the U. S. Treasury Department in the two-state metropolitan area, is accepted by Col. Charles E. Hoskin III, commander of the Granite City Army Depot, from Harry Wood, area supervisor for the Savings Bond program.

Depot Wins Top Awards In Savings Bond Program

Another first was added to honors received by the Granite City Army Depot upon presentation Monday afternoon of a Gold Star Flag Award, marking 90% or better participation by Depot employees in the U. S. Treasury Department's Savings Bond program for six consecutive years.

The blue and gold standard was raised to the depot stand by Col. Charles E. Hoskin, commanding officer, and Sgt. Major Michael Zuparski, top enlisted man. It is the first such award presented in the two-state metropolitan area.

More than 1000 employees, military personnel and guests attended the ceremony. Army Chaplain John J. Jones offered the invocation, and C. Wayne Banks was master-of-ceremonies.

Special guests included Maj. Gen. Charles C. Case, commanding general, Mobility Equipment Command; Henry D. Karandjef, chairman of the Madison county Savings Bond program; Al Zentgraf, chief of the Seventh Civil Service Region; Harry Lutz, president of

Mobil Oil Co., and St. Clair county Savings Bond volunteer representative; and Harry Wood, area supervisor of the Treasury Department's Savings Bond program.

Karandjef, in presenting the Savings Bond "Mintman Award," signifying top participation in the program by Depot employees of 92% or better for the ninth consecutive year, Karandjef commented — "No where in the middlewest has any military installation or industrial organization equalled this tremendous record."

The Secretary of the Army Award for military posts with more than 500 employees and over 80% participation, was presented by Gen. Case, to Col. Hoskin, who in turn, awarded certificates to the depot's seven directors, paying tribute to both military and civilian personnel for support of the program throughout the years.

To commemorate the occasion, a song written by Mrs. Pauline Weir, a depot employee, was sung by Mrs. Mary Mathew, who was accompanied by the Depot Queen, Miss Linda Whistler, and members of her court.

Activities ended with a retreat ceremony, with troops from the 6808th Light Equipment Maintenance Co., taking part.

Plan to Revamp County Board Vote Proposed

A resolution to provide a "one-man, one-vote" operation of the Madison county board of supervisors will be offered at the county board's June 24 meeting in an effort to preserve the township form of government in the state of Illinois.

The plan was devised Monday at a meeting of the legislative committee of the county board headed by Harry Briggs, Naetoil township supervisor.

The plan would allow township supervisors to "vote their constituents' like shares in a corporation." The weighted vote would give supervisors of heavily populated townships a larger vote at county board meetings.

Under the recommendation, the township concept could be preserved under the U. S. Supreme Court's one-man, one-vote reapportionment ruling for county boards and city councils.

If accepted by the full board, the recommendation will be submitted to the Illinois Association of Supervisors and County Commissioners which is making a state survey on reapportionment.

Rural influence on county boards would be destroyed if townships are abolished and district government, the county's board would be composed of nine or ten commissioners instead of 49 supervisors and assistant supervisors.

State Atty. Gen. William G. Clark has challenged the legality of the "weighted vote," but the county boards could test the proposal in the courts.

Extended Hours for Sale of Park ID Cards

Granite City park district identification cards will be sold at the Wilson Park ice pavilion from 6:30 to 8:30 p.m. tomorrow and between 9 a.m. and noon on Saturday, Harold Brown, park superintendent said today.

The ID cards, costing 50 cents each and available to park district residents, permit the bearer to swim at the park pool the lower "resident's only" fee.

Activities ended with a retreat ceremony, with troops from the 6808th Light Equipment Maintenance Co., taking part.

Briggs Pledges to Cut Taxes for Elderly

A reduction in taxes imposed against senior citizens and repeal of the Illinois gun control law were pledged yesterday by Harry A. Briggs, Nanticoke township supervisor and candidate for state representative in next Tuesday's Democratic primary election, if he is nominated and elected in the primary balloting.

Briggs said that he not only

favours no further increase in taxes on personal property of elderly citizens living on fixed incomes, "but I go so far as to cry out for a decrease in certain areas and complete elimination of taxes in others."

Briggs pointed out that most senior citizens have worked all of their lives to acquire a home and then are compelled to sell it upon retirement "because they no longer can afford to pay high taxes on real estate."

He said the elderly therefore are deprived of enjoying their

home in their golden years and that "this is a great social tragedy."

The candidate reaffirmed his stand against the new Illinois gun law requiring registration of all persons owning a gun of any kind and said it accomplishes nothing more than an "increase in the state's slush fund."

Briggs said "the hoods and punks will steal their guns to do their killing and robbing while the decent law-abiding citizen is penalized."

"Besides," Briggs added, "if the government ever should want to confiscate the citizens' weapons it will know exactly who you are and where to come to get your weapons . . . I am for the sportsman, the hunter, and the law-abiding citizen who wants to own a gun for protection of his home and family

Lovejoy Monument Dedication Sunday

Formal dedication of a beautification project at the grave of free press martyr Elijah P. Lovejoy at Alton City Cemetery is planned at 5 p.m. Sunday, June 9.

The crusading editor was slain 130 years ago Nov. 9 in Alton as he was defending his fourth printing press from a mob.

Extensive refurbishing at the grave site, which is separate

from the 90-foot monument in memory of the abolitionist editor, has included tuckpointing, addition of a wrought iron fence and renovation of a scroll marking Lovejoy's grave.

Cosponsors of the project are the Lovejoy Memorial Association, and Pride, Inc., an Alton beautification group, with as-

sistance from a private donor. Preceding the dedication a 4 p.m. annual memorial service will be held at Eunice Smith school, 2400 Henry street. A pilgrimage to the grave site will follow.

GRAND OPENING yesterday morning at the expanded and modernized Schermer Bros. Market with Madison Mayor Maeras cutting the ribbon being held by David Schermer (left) and Herman Schermer (right), sons of Avery Schermer. Left to right are—David; Leo Schermer; John Gallauer, store manager; Mayor Maeras, Avery Schermer, and Herman Schermer.

Miss Hotz Reappointed To Advisory Board

Miss Eulalia Hotz, county clerk, has been reappointed to the County Audit Advisory Board of State Auditor Michael J. Howlett for another three-year term. She was appointed when the board was created in 1964.

The new appointment by Howlett extends to June 30, 1971. He praised Miss Hotz for "splendid cooperation that has been a great contribution in accomplishing so much during these past years."

Grand Opening is Held At Schermer Bros. Mkt.

A ribbon-cutting ceremony yesterday morning at the newly-expanded and modernized Schermer Bros. Market marked the third expansion of the store since 1955.

Leo and Avery Schermer were joined in the ceremony by Madison Mayor Maeras and store manager John Gallauer and Avery's sons, Herman and David, who are third generation Schermers working at the store.

The store at 12th street and Madison avenue now contains 16,000 square feet of sales space, which includes 4,200 square feet in the latest expansion.

Leo and Avery Schermer said every department in the market has been enlarged and equipped with new fixtures, including the seven checkout counters.

Wide aisles are an added feature for shopper convenience and a new air-conditioner has been installed.

A new feature is the "Family Pack" department which has gallon-size jars and cans of fruits and vegetables, and there is a new dietetic department.

The store was established in 1950 and the more recent expansions were in 1955, 1960 and 1968.

Family Services Name GC Woman as Counselor

The appointment of Mrs. Anita Kolesa 2561 Edison avenue, as the Family Service Agency's counselor and caseworker for Madison county, including the Quad-Cities, was announced today by Michael Dalton, agency director. She began her duties in the area this week.

Mrs. Kolesa, a local resident the past 13 years, received a master's degree in social work last weekend from St. Louis University and a bachelor of arts degree in sociology in 1966 from Southern Illinois University-Southwestern campus.

Family Service agencies provide counseling — for family, marriage and personal problems — on a confidential basis to all people regardless of race, creed, color, religion, or economic status. Fees are charged according to the family's ability to pay.

Interviews with the new counselor may be arranged by calling, Coordinated Youth Services, at 876-2383, or the agency's primary office, facility at 234 Collinsville avenue, East St. Louis, at UP 5-6750.

Warrior Boosters Install Officers

The Boosters of the Fighting Warriors held the annual installation dinner Tuesday at the Jaycees Hall, 1855 Poplar street.

After the dinner the retiring president, Willis Shepard served as the installing officer for Emerald Dawes, president; Eugene Monahan, first vice-president; Tony Melichar, second vice-president; Mrs. Norma Loftus, secretary, and Omar Ronk, treasurer.

Dawes spoke briefly urging all sports fans to cooperate in working with the Boosters for the high school athletic program.

He then introduced Keith Parker, football and track coach from Coolidge junior high school, who spoke on "The Total Athletic Program and the Major Influences upon It."

Dawes also announced the Booster Club will have a fish and shrimp refreshment stand at the Jaycees homecoming at Nameoki Village shopping center on June 20 to 25. Booster membership cards also will be available at the stand.

Levee District to List Quad-City Jobs in Budget

A new program under which drainage and levee projects of the Madison county section of the East Side Levee and Sanitary district will be listed specifically in the district's budget and appropriation bills. This has been worked out and will become effective when the next budget is drawn in January 1969. William "Mike" Ebersold, of Venice announced in a regular meeting yesterday morning.

Ebersold said he was making the announcement to publicly confirm and make a matter of record the results of a two-hour conference on Tuesday between Ebersold and Lawrence Toland, president of the five-man levee district board which is made up of three St. Clair county members and two Madison county trustees.

Ebersold explained that in the past any improvements in the Madison county area have not been set up as specific projects, but only included generally in the appropriation and budget "ordinances along with St. Clair county projects. This, he pointed out, results in difficulty in obtaining funds for work for which a need develops in the Madison county area.

Should Share Equally

According to Ebersold, he discussed with Toland the need for allocation of more funds and more workers in the Madison county section of the district. He said that Toland agreed that Madison county and St. Clair county should share equally in levee district operations. Toland did not speak on the matter during yesterday's meeting. A detailed program of levee district operations to be included in the 1969 budget for the Madison county area will be worked out this summer, Ebersold said. It will then be presented to the levee board accountants to be included in next year's budget.

The board yesterday approved a May payroll of \$37,406 and claims totaling \$27,442. It also awarded to Keeley Brothers Construction Co. of East St. Louis a contract for construction of a roadway to the Canine sewage treatment plant. Keeley was low bidder with an offer of \$11,861, compared to second lowest bid of \$29,307. The Madison county section of the levee district is made up primarily of Granite City, Nameoki and Chouteau townships.

Venice Summer School To Start June 17th

For the third year, Venice school district will offer a summer program in remedial reading and mathematics, physical fitness, arts and crafts and band instruction—the latter added this summer for the first time. The program will get underway Monday, June 17, and continue for six weeks. Classes in remedial reading and mathematics, open to first through eighth grade students, will be conducted at the Venice grade school building each weekday from 9 a.m. to noon, with physical fitness and arts and crafts sessions held during the same hour at Lee Park in Venice.

B&PW Honors Mrs. Thurber

Mrs. Nina Bigley served as chairman last night at a dinner meeting of the Granite City Business and Professional Women's Club held at a St. Louis restaurant.

This was the final meeting of the season and officers for the coming year were installed. Mrs. Evelyn Smith, a past membership chairman, was in charge of the ceremony and the theme was "Golden Key of Challenge."

Mrs. Delores Allen, special awards chairman, announced her committee's selection of Mrs. Elvira Thurber as "Woman of Achievement" for 1967-68. She was crowned and presented with a silver bowl.

The new staff of officers includes Mrs. Mary Batson, who was reelected president; Mrs. Emyle Alford, first vice-president; Mrs. Lily Chaboude, second vice-president; Mrs. Maxine Grissman, recording secretary; Mrs. Heleine Bischoff, corresponding secretary, and Mrs. Rebecca Slate, treasurer.

After the dinner and installation the chairman introduced the guests who were presidents and officers of the newly organized "Grand B" Club, including B. & P. W. Clubs of Bethalto, Bunker Hill and Benld. Also introduced were officers of Collinsville and East St. Louis clubs.

All formal club meetings have been completed for the season and the club will resume its regular schedule in September.

ATTEND MEETING IN BELLEVILLE

Dr. and Mrs. Leo Roman were in Belleville Wednesday to attend an anniversary dinner meeting of the Visiting Nurses Association of St. Clair County celebrating its 50th anniversary.

The Association is a United Fund sponsored organization and Mrs. Roman and Mrs. Fred Haug are members of the board. The latter was unable to attend due to illness. The principal address was given by Michael J. Howlett, Illinois state auditor. The meeting was held at Fischer's restaurant and was attended by 150 persons.

GCHS SR. LEADERSHIP CLUB HONORS GRADUATES

The juniors of the Senior Leadership Club for girls at Granite City high school gave a party for the club's graduating seniors Monday evening. "A Whole New World" was the theme. Cindy Todoroff, next year's president, announced the other officers and the permanent chairman.

New officers are—Karen Hanne, vice-president; Barbara Blattner, treasurer, and Mary Milmar, secretary. The chairmen are—Debi Epperson, service; Connie Rotter, book covers; Joyce Harding, coat checks; Denise West, work day; Linda Kratz, Trout Lodge; Niggy Ehler, yearbook covers; Barbara Bartels, publicity; Margaret Rozycki, referees and officials; and Ida Grady, January Party.

The party was held at Karen Hanne's home at 2025 Manly avenue. Present were Miss Barbara Kerch, advisor, and 31 members.

ANCHORAGE SENIOR CITIZENS MEET

The Anchorage Senior Citizens held the final business meeting of the season Wednesday in recreation hall with 45 present.

Mrs. George Butler, president, was in charge and after the opening prayer there were games.

The Salvation Army will entertain the group at 7 p.m. Monday and a pot luck dinner is planned for 10 p.m. at noon.

Refreshments were served and prizes in the games were won by Caroline Weber, Theresa Dear, Pearl Kingsley, Heidig Lietz, Nan Shone, Bessie Reese, John Frangoulis, Amelia Willard, Peter Miller and Henry Fabian.

SORORITY CHAPTER ENDS SEASON

Mrs. Linda Giger led the educational program last night at a meeting of Beta Phi Chapter of Epsilon Sigma Alpha sorority, the last of the season. Each member present fashioned a floral arrangement for her home and plans were made to resume activities of the chapter in the autumn.

The hostesses, Mrs. Shirley Claxton and Mrs. Sandy Cuvor, served refreshments to 11 members.

Garden Study Club Brunch

Mrs. Clifford Mang, 2630 Edison avenue, entertained the Garden Study Club at a brunch Wednesday morning.

The members and guests were seated at umbrella tables decorated with garden flowers and breakfast was served to 18, including the following guests, Mrs. Mary Natsaleff and sons, and Mrs. Norman Alexander and daughter.

Mrs. S. M. Wilson opened the meeting with prayer and Mrs. Arthur Roman, president, led the group in the club collect. After the business session, the members and guests took part in garden walks and toured the gardens of Mrs. Mang, Mrs. J. O. Lehman and Mrs. C. E. Eads.

The club has adjourned for the summer. Meetings will be resumed on the regular schedule in the fall, the first meeting to take place at the home of Mrs. Abner Branning, 2431 Delmar avenue.

SHOWER HONORS MRS. MURPHY

Mrs. Jo Ann Murphy was honored this week at a cradle shower given by Mrs. Mollie Besserman at the Slovak Hall in Madison.

The hall was decorated in pink and blue and raffles served as favors. A buffet luncheon was served and games were played. Prizes were awarded to the winners.

WCTU WILL MEET

The Woman's Christian Temperance Union will meet Friday evening in the home of Mrs. Bethel Davis, 2148 State street. Mrs. Robert Nesel, a former state president, with her husband, will provide special music.

MOTHERS CLUB ENDS SEASON

The Lincoln Place Mothers Club has ended the season but will resume in September.

Mrs. Mary Schmitt is the incoming president, succeeding Mrs. Irene Kozma. At the final meeting yesterday, plans were made to assist in the Fourth of July celebration at Wilson Park, and two new members were introduced. They are Joyce Carizales and Evelyn Cavanaugh.

Prizes were won by Mrs. Schmitt, Mrs. Rosemary Ortiz, Mrs. Mollie Cooley, Mrs. Naz St. Ivany and Ernest Kent. Hostesses were Mrs. Linda Garcia and Mrs. Rose Grim.

DAV AUXILIARY NAMES CONVENTION DELEGATES

The DAV Auxiliary held a meeting last night with Commander Ruth Nunes in charge. After the usual opening ceremony and prayer by Chaplain Dorothy Best, delegates were named to the state convention to be held in July. They are Mrs. Irene Hoelter, Mrs. Nunes and Mrs. Lillian Heffler.

Plans were made to pack boxes for Vietnam. The next meeting will take place June 19.

BROWNIES HOLD COOKOUT FOR FATHERS

GC Woman Assaulted

A Granite City woman living in the Nameoki area complained that she was raped and robbed at her home early last Friday, police reported today following an investigation. The man, who entered the house through a rear window, took \$4 from her purse following the assault and left by the front door, she said.

Supermodified Cars to Race Here Tomorrow

The Tri-City Speedway, 5100 Nameki road, will have racing action Friday as the supermodifieds come to town for 7:30 p.m. time trials and an 8:30 p.m. starting time for direct competition.

Racing has been postponed at the track for the last three weeks because of rain, so the dirt track should be picked out well for Friday's events.

Larry Cannon of Danville, Ill., will be a featured driver this week at the track, putting his talents to the test in trying to beat an estimated 30 other drivers.

The speedway is located near the intersection of Route 203 and Interstate 270.

Twinbill Saturday
The Granite City Steel Credit Union fast pitch softball team will host the Gillespie Merchants in an exhibition double-header at Wilson Park Saturday at 7 p.m.

Rear of Auto Struck
Turning off Nameki road onto Edwards street, an auto driven by Betty Bazzell, 268 Kirkpatrick Homes, struck the left rear of a car driven by Helen W. Douglas, 2010 Pemb-ing avenue, who was stopped in traffic, at 5:20 p.m. Wednesday. The Bazzell woman was charged with driving without a valid license.

Boat Races at Lake Sunday

Kenny Kitson of St. Louis and Art Kennedy of St. Louis will be the top "name" drivers in monthly boat races to be held at Edwards Lake starting at 1 p.m. Sunday.

Kitson is rated as one of the best racers in the region, but lately it has been Kennedy who has been taking home all the marbles. Kennedy is now in first place with the most total displacement.

Other drivers expected include Don Clark, Art Shaw and Dick Wilson, all of Alto.

There will be an exhibition race between Leslie Clark, age 11, Ricky Wyres, 11, and Harry Harvey, 12, before the regular racing program.

Rained Out Games Being Made Up By Park Softball Nines

Mexican Honorary Commission beat the Community Heights Reds 6-1 Wednesday evening at Worthen Park in the first of rained-out games to be made up in the Class A slow pitch softball league sponsored by the Granite City Park district.

The winners held a one-run lead after the first and added three more runs in the fourth and an insurance policy of two more in the seventh.

Russ Weil, backed by 10 hits by his teammates, held the Reds to four hits. Sonny Antoff was the loser.

Sammy's Tavern beat Falstaff 10-0 on a seven-run shut-out by Sharkey Nighohossian. Falstaff left 11 men stranded on base. Sammy's had 13 hits and made two errors. Falstaff made five errors.

Polish Hall beat Tony and Joe's 15-8, pounding out 19 hits. Stan Serwatka was the winning pitcher, allowing 14 hits; Clarence Jones was the loser.

John Modrusic and Forrest Friend each had three singles and scored three runs.

The final game of the evening saw Credit Union slip past Clark's Vikings 5-4 on an eight-bitter by Bob Patrick. He hit two singles in his two times at bat, driving home three runs.

Credit Union yielded three runs in the top of the first, but managed to score one in the bottom of the second and two each in the fourth and fifth.

the pages of American life is a serious indictment against our society.

"That two brothers have met violent death in their pursuit of national excellence is incomprehensible. Our nation has sustained a tragic loss and our people are deeply indebted to the family of Senator Kennedy for their contributions."

"Our hearts go out to the family in their sad loss."

A Terrible Thing
Granite City Mayor Donald Partney described Senator Kennedy's assassination as "a terrible thing which it is difficult to imagine could happen in this country."

...but it is happening, and more often as time goes on. The entire society takes the blame for such events, although they are the crimes of only a small majority.

"I believe," the mayor commented, "that there would be less of such crime if the problem were turned over to the police and handled by them instead of by the politicians."

Dr. John E. Lee, mayor of Venice, said he, like everyone else, was shocked at the tragic shooting of Senator Kennedy, and said he extended his sympathy to the Kennedy family.

Dr. Lee pointed out that proper gun control laws would go a

Van, Truck Collide
An unknown vehicle struck the left front of a van driven by Richard Orr, 2108 Troy avenue, Madison, and forced him into the left rear of a pickup truck driven by Omar Evans, 408 State street, Madison, at 9:35 p.m. Wednesday at the 24th wardwide road rail crossing. It was reported to police.

Traffic Signal Charges
Traffic signal violation charges were filed Wednesday afternoon against Daniel J. McGee, 2833 Washington avenue, and Hobson L. Myers, 1804 Bremen avenue, at Johnson and Nameki roads.

long way toward checking the mounting flood of crime.

Should Register Guns
"I have always contended that no one should be allowed to carry guns except servicemen and police," the mayor said. "But I know that's not going to happen. I do believe that everyone who owns a gun should be required to register them."

Madison Mayor Stephen Maerz expressed concern over the frequency of attacks on officials and other public figures.

"I believe Congress will need to adopt laws in some of the fields in which Supreme Court rulings have handicapped law enforcement," he said.

elbows and right knee. Mrs. Gac was charged with a right-of-way violation.

James King, 23, of Lindenwood, Ill., was injured when his auto collided with a car driven by Mary C. Wright, Buena Park, Ill., on Interstate 70 at Route 157 at Collinsville at 8:15 p.m. Wednesday.

He was taken by ambulance to St. Elizabeth Hospital here with pains in the neck and inability to move his legs, and was transferred to Firmin Desloge Hospital, St. Louis. The Wright auto had been parked on the shoulder and was entering the traffic lane.

Carol Dye, 33, of University City, Mo., was treated at St. Elizabeth Hospital after her auto collided with a car driven by Frederick Slack, East St. Louis, at 3:20 p.m. Monday at Route 157 and Interstate 270. She had abrasions to her right arm, and x-rays were taken. She was released after treatment.

Mrs. Shirley Newman, 34, of 724 Twenty-seventh place, was admitted to St. Elizabeth Hospital at 7:15 p.m. Wednesday with injuries sustained in an auto accident. She received x-rays to the spine, skull and chest. Details of the mishap were unavailable.

Jos. Rapp, 83, Dies; Life-Long Resident

Joseph F. Rapp, 83, of 2429 Lynch avenue, a life-long area resident, died at 8 a.m. today at Jewish Hospital, St. Louis. He had been ill three months and was hospitalized five weeks.

Mr. Rapp was born in Madison county and had lived his entire life in the Quad-city area. He was a member of the First United Presbyterian Church. He had retired in 1955 as a millwright foreman at Granite City Steel Co., where he was employed 39 years. His wife, Mrs. Dorothy Rapp, died in 1958.

Survivors include two sons, William Rapp of Belleville and Charles Rapp of Corpus Christi, Tex.; two daughters, Mrs. Ruth Gonsard of Collegeville, Pa., and Mrs. Dorothy Meikamp of Granite City; 11 grandchildren and one great-grandchild.

Funeral arrangements are pending. Available details are given in today's obituary column.

Left Turn Accident
While making a left turn from Missouri avenue onto West 22nd street, an auto driven by Vergia Teeter, 2034 Milan avenue, Madison, struck another driven by Stephanie Miller, Wood River, at 12:35 p.m. Wednesday.

Six Area Motorists Lose Driving Privilege

A driver's license revocation and five suspensions were ruled this week in Springfield for Quad-City area motorists. Secretary of State Paul Powell said the revocation is for Jimmy D. Castle, 2118 Missouri avenue, for three violations. The suspensions are for Lester C. Flannery, 3000 Kirkpatrick Homes, Diane J. Mason, 1408 Norwood drive; David W. Newberry, 3840 Lake street, and Ernie D. Stephens, 1910 Sken street, all for three violations, and Floyd L. Wallace, 918 Madison avenue, for attempting to flee or elude a police officer. A probationary permit was issued to Harold W. Jackson, 5185 Old Alton road.

Jaycee Jr. Sports Meet Slated Saturday at GCHS

Granite City Jaycees are literally keeping their fingers crossed that their third attempt to hold the annual "Junior Sports Jamboree" this coming Saturday morning will be successful. Inclement weather and too few contestants, due to the earlier postponement, forced cancellation of the district sports meet on two consecutive weekends. Local youngsters, between 10 and 15 years, will compete in 15 field and 25 running events at 10 a.m. Saturday at the Granite City high school athletic field. District winners will advance to the sectional contest in Alton, with those winners participating in the state finals at Sterling-Rock Falls this summer. John Robertson, event chairman, today reminded contestants that prior to the 10 a.m. starting time, each child must present an entry form or note signed by a parent or guardian, granting permission to participate. Parental permission writing may be substituted for the usual entry blank, he said. Competition for boys and girls will be in three divisions—midget (10-11), junior (12-13) and intermediate (14-15). The junior sports jamboree is co-sponsored by the Jaycees and the Illinois Youth Commission.

Home Owners in Nameoki Claim Houses Sinking

A new federal inspection of homes built within the past year in the Quiet Valley subdivision of Nameoki township will be sought by Nameoki township officials as the result of complaints of residents that their basements are crumbling or cracking apparently from use of inferior materials. A petition bearing 45 signatures and calling upon the township to help determine the cause was submitted to the township board in regular meeting Tuesday night by Arthur Rutherford, Democratic committeeman of Precinct One in which the homes are located. At the same time, a delegation of four persons representing homeowners in the subdivision appeared before the township meeting. James Roney, spokesman, told Supervisor Harry A. Briggs and other town board members that in one instance a family has been forced to move out of its home because the basement "completely collapsed."

Financed by FHA, VA Roney said basements are filled with water from seepage through the walls and that sump pumps are unable to handle the volume of water, causing damage to washers and driers, and to furnaces. He said the homes were financed principally by FHA and the Veterans Administration. About 40 homes are located in the subdivision. Roney said some of the foundations are sinking. Briggs pointed out that neither the township nor the county would have jurisdiction in the matter, but that he will write immediately to Cong. Melvin Price to ask his aid in obtaining a new federal inspection of the properties. Board members also discussed plans to determine estimated cost of a drainage project for Precinct One, primarily in the Gaslight Walk area. Briggs pointed out that the township has no funds to finance an engineering survey, but that use of topographical maps should produce enough information to determine an estimated cost. To Seek Aid Once preliminary plans for a project to drain the areas are completed, Briggs said, he will meet with officials of the East Side Levee and Sanitary district in an effort to have that agency assume at least a part of the cost of construction. Briggs reported he has received no answer thus far to a letter sent by him to officials of Reilly Tar & Chemical Co. requesting they forego announced plans to annex to Granite City. Further action on a proposal to fence in the property on which the Nameoki town hall is located on Highway 162 was tabled until after a meeting in which town board members can prepare specifications.

South Venice Mrs. DIANA THOMASON

State, Federal Aid Sought to Halt Bad Water Taste

Both state and federal agencies are being called upon for help by Granite City council members to halt the bad tasting water supply here. Several aldermen reported Monday night that phenol taste complaints had been received that day. Fire Chief Fronbarger, who was present for the council session, was instructed to have his men open fire hydrants to drain the foul-tasting water from the system. Fronbarger reported he had conferred with officials of East St. Louis & Interurban Water Co. and had opened hydrants in outlying sections where there is adequate drainage. He pointed out that it would be disastrous to open too many hydrants as the city's reserve water supply would get too low for emergency firefighting. Mayor Partney was asked by the council to make complaints to the Illinois Commerce Commission, state Department of Public Health, the federal Environmental Protection Agency and the Department of Conservation. The mayor reported he had notified the U. S. Coast Guard, the water company and the state health department office in East St. Louis.

Teacher Pact Talks May Resume in Madison

Contract negotiations between the Madison school board and Madison Federation of Teachers Local 783 may resume Wednesday night, according to Raymond Dragich, superintendent of schools. Negotiations were broken off last May 21 over apparent misunderstandings. Dragich had claimed that demands by the teachers would cost the district in excess of \$1 million, which subsequently were denied by Bernard Long, local president. The board has offered salary increases from \$31 to \$55 per month. The local has asked salary increases of \$128 per month for new teachers, a decrease in the size of classes and other benefits.

Price Helping Sponsor Truth in Polling Bill

Citing the "crucial role" that public opinion polls will play in the presidential nominating process in the next two months, Cong. Melvin Price announced from his office in Washington yesterday that he has co-sponsored a measure in the House of Representatives which calls for "Truth-in-Polling."

He said he wants to assure the public that the polling process is not being abused "either by the candidate or the pollster."

The Price "Truth in Polling" bill, which has the support of George Gallup, a noted national opinion surveyor, has been co-sponsored in the House by many members. It was originally drafted by Cong. Lucien N. Nedzi (D, Michigan).

The bill would apply only to polls relating to elections, political candidates and political issues which are published in newspapers or magazines of general circulation.

The disclosure called for includes the name of the pollster who commissioned the poll, the method used in compiling the sample of voters, the number of people questioned, dates within which the polling was made, the questions posed, the methods used by the pollster and the numerical results of the poll. Disclosure would be made to the Librarian of Congress within three days after the results of the poll are first distributed.

In another area involving this year's national elections, Price disclosed that he is actively supporting efforts to suspend the "equal time" provisions of the Federal Communications Act so that the candidates of the two major parties could face each other in televised debates later this year.

MORE ABOUT Council

major's appointment of Edward J. Juebe of Sheppard, Morgan & Schwaab as public engineer is not working in any capacity on the city's bond issue sewer and storm water projects and that the public engineer is responsible for all phases of sewage treatment plant operations.

Only aldermen Bartosiak, Whitmer, Rutledge, Fry and Jarrett voted for acceptance, with the option rejected, 5-to-11. "Another opinion shot," the mayor commented.

30-Day Appointments

Still another opinion was on temporary appointments. Juebe was named public engineer on a 30-day appointment by the mayor.

Allen stated that state laws provide for the mayor to make temporary appointment to an office when an office is vacant. The office of public engineer was created Sept. 21, 1964, providing a salary of \$8500 a year. Allen added that there is no mention of 30 days, but that a Supreme Court ruling on the question stated "for the time being."

This opinion was rejected 6-to-5. The final opinion was approved unanimously. It concerned employment of Horace Calvo as bond attorney under two contracts—one for the sanitary sewer revenue bond issue and the other for the storm water sewer general obligation bond issue.

Allen said there were two separate contracts. Mayor Partney remarked that under one contract to cover both bond issues, the city could have saved \$2750, since the bond attorney is paid a fee on the basis of the amount of the bond issues. The fee schedule for the \$150,000 revenue bond issue and \$1,855,000 general obligation bond issue would have called for a total payment of \$15,775, under a single contract. With separate contracts, the total amounts to \$18,525, the mayor said.

The mayor contended the council approved a contract on Jan. 15, 1967, calling for Calvo to serve for both bond issues and then last July 3 approved a separate contract for the revenue bond issue with a fee of \$3500.

Appointments Approved

Before calling for committee reports, the mayor's three appointments to the Animal Shelter board were approved. Mrs. Gladys Chapman and Mrs. Rosemary Meyer were re-named to three-year terms, and Mrs. Fay Hillman, 2224 O'Hare avenue, was named to succeed Miss Lucile Macleod, who resigned.

The mayor said he met with business agents of unions representing city employees and was asked to name a negotiating committee. He submitted the names of Moerlein, chairman; Boyd and Robertson.

Robertson said he would not serve on a mayor's committee until there was more harmony on the council. Moerlein said his job as a railroad engineer would be taking him out of town considerably. Boyd said he was not willing to serve until he had a clearer picture of city finances and the matter of city funds resolved.

Partney asked if he should carry out the negotiations. There was no reply. The mayor then announced his committee appointments would stand, except that Davies would replace Partney as chairman of the Human Relations committee, as Partney declined to serve.

Partney called upon Rutledge for the Finance committee report. The council voted down the bill list, the payroll and sick leave payments. They were later brought up by Moerlein under "unfinished business" and were approved.

Other chairmen called upon by the mayor replied with "No report."

Council members debated a request by Tremont E. R. Rich to pay a crew of 14 typists for tax billing time-and-a-half for Saturday work on May 25, after starting two days earlier. Rich said he agreed to the overtime pay to get the tax billing completed for an early start on collections. He said the job could be done in less time at a savings of about \$100, compared to last year's cost of \$1300.

Objections were raised over setting a precedence. The added pay was voted down, but later was reconsidered and approved.

In other action, the council referred to City Atty. Allen a circuit court notice that the suit filed by Floyd Miller against the city last year for redistricting the eight wards to seven could be reopened with the Appellate Court ruling now on file. The deadline would be Friday. Moerlein said Miller told him he was unaware of the possibility of new action in the circuit court.

ing considerably the air board's enforcement program. He said that the city council, in refusing to go along with an expanded working period for Dr. Parrill, is failing to take advantage of Dr. Parrill's knowledge of chemistry which qualifies him to do the monitoring work necessary to determination of pollution sources.

Has More Time

Hoelscher said that the time he has been able to devote to air pollution control work in Granite City is limited by his own commitments and the fact that he does not have the chemistry background necessary to monitor pollution tests.

He added that "the city is going to have to make a decision unless it wants to waste the money it is already spending."

According to Hoelscher, the time now allotted to the technical secretary by salary limitations fixed by the city council is taken up almost entirely by the growing quantity of paper work.

"There is no time in which the secretary can carry on field work so necessary to proper enforcement of air pollution control regulations," Hoelscher said.

Dr. Parrill's employment as assistant technical secretary was approved in the May 27 session of the city council.

Four GC Students Win U. of I. Scholarships

Four young people from Granite City are among six Madison County residents who have been awarded scholarships to the University of Illinois, it was announced today by Wilbur R. L. Trimpe, County superintendent of schools.

The four include Debra Eve Berger, 2121 Richmond avenue, and Barbara Ellen Jackson, 22 Oaklawn drive, both of whom receive special county scholarships; Robert Donald Bunselmeyer, Box 446, Rural Route One, agriculture; and Charles Raymond Douglas, 3010 Pershing avenue, child of a world war II veteran.

Eight scholarships are available in Madison county, awarded on the basis of scores made on the ACT examinations given in May, August and October, 1967. A minimum composite score of 24 is required to qualify. The scholarships exempt the winners from tuition fees for a period of four years at the University of Illinois.

There were 45 applicants from Madison county, Trimpe said, explaining that no qualified candidates applied in the categories of home economics and child of a world war I veteran. Youths

Demco Contests, Levee Board Race to Spark County Primary

Area Voters to Ballot Only on Madison County Candidates as Levee Trustees

Quad-City voters who ballot in the East Side Levee and Sanitary district will go to the polls for the first time this year under new Illinois statutes limiting to two the number of levee board trustee candidates to be nominated on each party ticket in Madison county.

In previous elections, levee district voters of both Madison and St. Clair counties nominated five Democratic and five Republican candidates subject to election to the five trusteeships in general elections in November.

Consequently, Madison county voters balled on a district-wide basis for the three trustees who lived in St. Clair county, and St. Clair county voters, in turn, also balled for the two Madison county candidates.

Under a statutory amendment approved in 1964, however, Madison county voters hereafter will vote only for the Madison county candidates and St. Clair county voters will ballot only for nomination and election of the Madison county board members. The division of two trustees from Madison county and three from St. Clair county is determined by assessed property valuations of the two counties.

The two incumbent Madison county members of the levee board, William "Mike" Ebersoldt of Venice and Joseph Grant of Granite City, are seeking re-nomination on the Democratic ticket this year, and are opposed by two other candidates, both running independently on the Democratic ballot.

They are Paul Zupan and Louis Postawko, both of Granite City. Ebersoldt and Grant are aligned with the Madison-Venice city Democratic organization headed by Mayor John E. Lee of Venice and Mayor Stephen Maerz of Madison. Ebersoldt also is city clerk of Venice, a post he has held since 1964. Grant, who is holding his first election, is a former international representative of the Boilermakers union.

Zupan is seeking one of the two Madison county levee board posts in opposition to the Madison-Venice organization. He is part of a political alliance that also involves Dick H. Mudge, Edwardsville attorney, as a candidate for delegate to the national Democratic nominating convention.

Richard Allen, Granite City attorney, as a candidate for alternate delegate. Mudge is opposing Dr. Lee for the delegate's post while Allen is opposing Jerry Lamar of Alton for the alternate delegate spot. Lamar is running with Dr. Lee in the contest. Earlier this year, Mudge was said by politicians to be seeking nomination for the Madison county primary. They are Andrew Jess Parks and Edward Werner, both of Granite City.

Three members of the levee district board are elected from St. Clair county. Incumbent board members also are seeking re-election on the Democratic ticket in St. Clair county. They include Lawrence Tolar, now president of the board, George Duff and Morris Campbell. All are of East St. Louis.

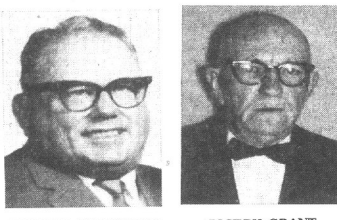

Four Republican candidates have filed in St. Clair county for the three levee board posts subject to election there. They are Rufus Burns, Richard J. Jackson, Charles A. Sage and Arthur Winters.

Deadline for Absentee Voting Noon Saturday

The office of "Duke" Clark Eustalia Hotz, customarily closed on Saturdays, will be open until noon Saturday to accommodate last-minute absentee voters who will not be in the area on primary election day next Tuesday.

Miss Hotz urged persons who are able to do so to cast absentee ballots before Saturday morning because of the usual rush of applicants during the last few hours of absentee balloting. Deadline for casting absentee ballots is noon Saturday.

Miss Hotz said the Saturday morning rush is caused by the fact that many workers "on the road" are home only during the weekends and therefore must appear on Saturdays. Voting booths have been set up in the clerk's office. Deputy clerks will be on hand Saturday, as they have throughout the absentee voting period. The aid applicants in filing out ballot applications. The applications will be notarized without charge at the clerk's office.

LEVEE TRUSTEE DEMOCRAT

William Michael "Mike" Ebersoldt, 58, of Venice, incumbent member of the board of trustees of the East Side Levee and Sanitary district, is seeking re-election to his second four-year term as trustee on the Democratic ballot. He is now completing his first four-year term as levee board trustee.

Ebersoldt also is city clerk of Venice, a post he has held since 1964 and is closely associated with the Madison-Venice Democratic organization.

Ebersoldt is a member of the Venice Methodist Church, a 29-year member of Venice Lodge 719 of the Odd Fellows, a 27-year member of Masonic Lodge 835 of Granite City, Mississippi Valley Consistory, 32nd degree, East St. Louis Shrine, and Grand Temple of East St. Louis and the Tri-City Shrine Club.

He also is a member of the Terminal Campas Club, the Brotherhood of Railroad Trainmen for 31 years, 18 of them as an officer; a charter member of the Venice Lions Club, is vice-president of the Venice Crippled Children's Organization and secretary of the Venice Homecoming and Memorial Association.

Ebersoldt is chairman of the Venice City Organization, auditor of the Illinois River & Harbor Association, a member of the Horseshoe Lake Rod & Gun Club, Terminal East Side Credit Union, St. Mark's Venice Credit Union, Venice Social Club and the Terminal Madison and the Terminal Madison Yard Benevolent Fund of which he is chairman. He has been a switchman for the Terminal Railroad Association for 31 years.

Joseph A. Grant, 2104 Garfield avenue, is seeking re-election to a second four-year term as trustee of the East Side Levee and Sanitary district. Grant is now completing his first term as a levee board trustee in the first public election he has held. He is a Democrat.

Grant is a retired vice-president of the Brotherhood of Boilermakers with which he was associated for 23 years. He recently was honored by Illinois state officials for steering the enactment of the State Boiler Safety Code, and for serving as chairman of the State Board of Boiler Rules since 1961.

He is a member of the Tri-City Regional Port Authority Board and has held the board post since inception of the port authority in 1958. He also served as a member of the Madison County Mental Health Board.

Grant is a member of Boilermakers Local 363, the Gran-

ite City Elks Lodge and American Legion Post 53. He is married and has one daughter.

Paul Zupan, business representative of Bricklayers' Union Local 65, is making his first bid for public office as a Democratic candidate for nomination to one of two levee district trusteeships open to election in Madison county this year.

Zupan, 46, lives at 1719 Garfield avenue. He is married and has one son, Paul. He is a veteran of world war II and has been active in union affairs for many years.

In seeking election to the board of the East Side Levee and Sanitary district, Zupan said his objective is to bring about businesslike administration of the levee district, "and if that is impossible, to seek its dissolution."

Louis B. Postawko, 1909 Grand avenue, Granite City, is making his first bid for public office in seeking nomination to one of two board memberships open on the East Side Levee and Sanitary District board of trustees in this year's Democratic primary.

Postawko, who is 63, is a former 14-year employee of the levee district and from 1942 to 1946 served as a Madison county deputy sheriff. He also is a former Democratic committee member of Precinct 8 in Venice township for 16 years.

Postawko attended St. Mary's school and Madison high school in Madison. He is a member of the Eagles lodge and is a lifetime member of the Moose lodge.

He has three married daughters and eight grandchildren. Postawko said he is seeking a levee board membership because he feels his experience as a levee district employee qualifies him to efficiently serve the public in that capacity.

REPUBLICAN

Andrew Jess Parks, 2536 Jorden avenue, is a candidate for nomination as a trustee of the East Side Levee and Sanitary district on the Republican ballot.

Parks said he was not interested in submitting a photograph or biographical information as "all my friends know me and will vote for me anyway."

LEON SCROGGINS

GOP Offers Only Choice of Nominees in State Primary

When Quad-City and Madison county voters go to the polls in the primary elections Tuesday to nominate candidates at the state level, only the Republicans will find they have a choice of candidates.

Democrats, on the other hand, will find their candidates for state posts are running without opposition for nomination as U. S. Senator and governor, and down all of the state ticket. Consequently, all candidates on the Democratic state ticket already are assured nomination, a marked reason for the lack of campaigning in recent weeks.

On the Republican side of the ballot, incumbent U. S. Sen. Everett M. Dirksen, who is seeking re-election to a new six-year Senate term, is opposed by Roy C. Johnson, Chicago.

Democrats will nominate William G. Clark, now attorney general of Illinois, who was picked to head the Democratic list of state and national candidates.

In Governor Race

In the governor's race the Democrats will nominate Samuel H. Shapiro of Kankakee, who assumed the incumbency on May 21 after Gov. Otto Kerner resigned to take over a federal judgeship to which he was appointed by President Johnson.

Republicans, however, will choose from a field of four candidates, most active of which have been Richard B. Ogilvie of Northfield, and John H. Alterer of Peoria. Both of these candidates have held campaign meetings in the Madison-St. Clair area, with Ogilvie campaigning on his record as chairman of the Cook county Board of Commissioners.

William G. Stratton of Chicago, former Illinois governor, is a contender for the Republican nomination as governor, but has confined his campaigning mostly to the northern part of the state. The sixth GOP governor candidate is practically unknown. He is S. Thomas Sutton, Wayne, Ill., who has done no campaigning in this part of the state.

Paul Simon of Troy, incumbent Illinois state senator, is the Democratic candidate for lieutenant governor without opposition, while Republicans will nominate Robert A. Dwyer of Winnetka who also has no opposition.

Powell Seeks Re-Election

The Democrats are offering Paul Powell, incumbent secretary of state, as their only candidate for renomination to that office, but here again the Republicans will be given a choice of two candidates. They are Donald D. Carpenter of East Moline and Brian B. Duff of Wilmette, both of them virtually unknown in the state political arena.

Michael J. Howlett, incumbent state auditor, is the only Democratic candidate for the auditor's post on the state ticket. The Republicans are offering three candidates: Terrell E. Clarke of Western Springs, William C. Harris of Pontiac and Wesley W. Olson of Quincy.

Only one Republican candidate is seeking nomination as Illinois attorney general, William J. Scott of Edwardsville.

Miss Fannie G. Jones, East St. Louis, the first Negro ever to run for a major state office, is the unopposed Democratic candidate for nomination as clerk of the Illinois Supreme Court, while the Republicans offer three candidates, including Louis Emmanuel of Chicago, Mrs. Earle Benjamin Seay of Springfield and Justin Taft of Rochester.

Among state posts in which Democrats have no opposition either in the primary or the general election next November is in the election of clerk of the appellate court of the second and fourth districts.

In the third district, however, one Democrat and one Republican candidate are on the ballots for the clerk nomination. The Democrat is J. Lind Silver of Marseilles and the Republican is John E. Hall of Sterling.

Candidates in the fifth district clerk race are James R. McLaughlin of Mt. Vernon on the Democratic ballot and David F. Mallett of Troy on the Republican ballot. Robert L. Conn of Springfield is unopposed on the Republican ballot for nomination as appellate court clerk in the fourth district. There is no Democratic candidate in that race.

The same applies in the second district where Howard R. Kellett of Aurora is the Republican candidate for clerk, with out opposition and without a Democratic candidate.

Scroggins was appointed state's attorney by unanimous vote of the county board of supervisors, succeeding Joseph Bartylak, who resigned the post.

Scroggins said he is running on his record in office, noting that among other things he has reduced the criminal case load in Madison county from a "staggering figure" to a number that can be docketed for trial.

He said he hopes that many of the programs he has initiated during his administration, such as a continued liaison between the prosecutor's office and the police departments, and more adequate legal serv-

State's Attorney Race, Three-Way Contest For Coroner Attracting Primary Interest

LEONARD R. DAVIS

Two Contests for County Offices, a Four-Way Race for Levee Board Posts and a Fight for Election of a Convention Delegate and Alternate Delegate will Highlight Next Tuesday's Primary Election in Madison County

All of the contests are on the Democratic side of the ballot. Five Republican candidates for county offices, two for levee board trusteeships and those for convention delegate and alternate delegate are without opposition.

Leon Scroggins, incumbent Democratic state's attorney of Granite City, is opposed in his bid for re-election by Wendell Durr, Edwardsville attorney, who is running the first time for public office, while Leonard R. Davis, Granite City funeral director, is opposed by two candidates in his campaign for re-election as coroner. Davis' opponents are T. J. Burke, an Alton funeral director, and Dr. Edward Mulvill, Alton physician.

Both Scroggins and Davis are serving by appointment. Scroggins has been state's attorney since January 1967, succeeding Joseph Bartylak, who resigned, and Davis has served as coroner since last June, succeeding Dr. W. W. Billings of fourth term; John L. Kraynak, an Alton funeral director, who was appointed by the Madison county board of supervisors.

Candidates for three other nominations to county offices on the Democratic ticket are all incumbents and running without opposition. They include James F. Chapman, recorder of deeds seeking his fourth term; John L. Kraynak, auditor seeking his fifth term, and Willard "Butch" Portell, circuit clerk, seeking re-election to his third term.

The five unopposed Republicans to be nominated in the primary balloting are David E. John of Granite City for circuit clerk; Charles "Bill" Burns, Collinsville, for recorder of deeds; R. W. Griffith, Alton, for state's attorney; Robert G. Thomas of Granite City, for coroner, and Pete E. Fuchs, Alton, auditor.

Two Republicans for two trusteeships on the East Side Levee and Sanitary district board also are unopposed. They are Edward Werner and Andrew Jess Parks, both of Granite City.

Incumbents Opposed In the Democratic primary, however, incumbent levee board members William "Mike" Ebersoldt of Venice and Joseph Grant of Granite City are opposed by two other candidates, Paul Zupan and Louis Postawko, both of Granite City.

Dr. John E. Lee, mayor of Venice, and Dick H. Mudge, Edwardsville attorney, are contesting a Democratic convention delegate post, while Richard Allen, Granite City attorney, and Jerry Lamar of Alton are contenders for one of two alternate delegate posts. Lamar is aligned with Dr. Lee who has the backing of the

the Davis Funeral home in Granite City and served as mayor of Granite City for four terms prior to his appointment as coroner, serving from 1949 to 1965.

Davis is a graduate of Shortleiff College at Alton and attended Landig College of Mortuary in Houston, Tex., and Worsham College of Mortuary in Chicago.

He is a member of the Alton-Wood River Bar Association, the Madison County Bar Association, the Illinois American Bar and American Trial Lawyers Bar Associations.

He also is a member of the American Legion, the Kiwanis Club and the First Presbyterian Church of Alton and is active in civic affairs. He is a Navy veteran of world war II.

Madison-Venice Democratic organization, of which he is a leader, Allen is aligned with Mudge in a direct challenge to the Madison-Venice organization.

The contest for delegate to the Democratic convention actually is a three-way race, with Monroe Film of East St. Louis as the third candidate. Two delegates are elected from within the 24th Congressional District, which comprises all of St. Clair county and part of Madison county including the Quad-City area.

Third Democratic candidate in the alternate delegate's race is Elmo Bush of East St. Louis. There is no fight for delegate or alternate spots on the Republican ballot. Candidates for Republican delegates are Ralph Walker and Wilson H. West, both of Belleville. Unopposed GOP candidates for alternate delegate are Russel Klassen of Freeburg and Lily P. Chaboudie of Granite City.

tion, Madison County Medical Association and the Alton Medical Society.

He said that he is seeking election as coroner because duties of the office are best suited to a physician with medical background. His wife is deceased. He is the father of four children. He lives at 1612 Phinney avenue.

Thomas J. Burke Jr., 48, of 727 Langdon street, Alton, is making his third political campaign for public office as a candidate for coroner of Madison county in the June 11 Democratic primary.

Burke served 12 years as a deputy coroner under Dr. W. W. Billings. He operates Burke funeral home in Alton and formerly was employed as an embalmer at the Streeter Funeral home from 1945 to 1950. He ran for coroner on two previous occasions and was defeated both times.

He was educated in St. Patrick's school and Marquette high school at Alton, St. Benedict's College at Alton, Kan., and the St. Louis College of Mortuary Science. He is a member of St. Mary's Catholic Church and St. Joseph's Holy Name Society.

Burke is a member of the Fourth Degree, Knights of Columbus, Alton Chapter, American Legion, VFW and the East End Improvement Association of Alton.

He said he is seeking the post of coroner because "with my experience in this office I know I can save the taxpayers money."

He is married to Dallas M. Burke, a registered nurse, and is the father of five children.

REPUBLICAN

Like other candidates on the Republican ticket, Robert G. Thomas of Granite City is running without opposition for nomination as coroner. The primary election will be held June 11.

Thomas is a Granite City funeral director and has served two terms as deputy coroner of Madison county.

He is a partner in operation of the Mercer Mortuary and has been affiliated with the funeral home for 35 years.

Thomas is a member and past elder of the First Presbyterian Church, a member of Masonic Lodge 877 AF&AM, the Scottish Rites Bodies, Grand Shrine, Tri-City Shrine Club, Knights Templar, United Order of the Knights of Pythias, Pythian Sisters, Eastern Star and is a past officer of the White Shrine.

He also is a member of the Elks and Moose lodges, Tri-Cities Chamber of Commerce and Chauffeurs & Teamsters Local 525.

In the business field, he is a member of the Illinois Funeral Directors Association, National Funeral Directors Association and Associated Funeral Directors.

CIRCUIT CLERK

DEMOCRAT

Willard V. "Butch" Portell, 49, of 2631 Edwards street, Granite City, is seeking re-election to his third consecutive four-year term as circuit clerk of Madison county. He is running without opposition in next Tuesday's Democratic primary.

Portell was elected in his first successful political bid in 1960, having campaigned previously as a candidate for the East Side Levee and the 11th district and for the office of mayor of Granite City.

He is unmarried. He was born in Elvins, Mo., one of 11 children. He is a member of the Catholic church, the Knights of Columbus, the Moose and Eagle Lodges and the American Legion. He is a Navy veteran.

REPUBLICAN

David E. John, 3205 Bradley avenue, is assured nomination as Madison county clerk of the circuit court as a candidate on the Republican ticket without opposition. He is a member of a complete ticket of county candidates backed by the county Republican committee.

John is now deputy director of the Granite City office of Civil Defense. He operates a real estate agency. He formerly was employed by the First National bank in St. Louis for four years, with the Illinois Power Co. in Granite City for 25 years, 20 of them in a supervisory capacity, and for ten years was secretary of the Community Co-Op. until its sale to the Bi-State Transit System.

He is a Master Mason of Triple Lodge 835, a member of Scottish Rite Bodies in which he is a 32nd degree Mason, a member of Anad Temple Shrine, treasurer of the Tri-City Shrine Club and a member of the Chapters of the United Order of the Knights of the Order of DeMolay with the Region of Honor de-

gree, a past patron of the Order of Eastern Star 650, past chairman of the Order of the White Shrine 78, a 24-year member of the Elks Lodge 1063, past scoutmaster of Troop 8, a member of the Optimist Club of which he is past lieutenant governor, past president, past secretary and treasurer, and a member of the First United Presbyterian Church of Granite City.

He now serves as chairman of the Board of Zoning Appeals by appointment of the mayor of Granite City.

COUNTY AUDITOR

DEMOCRAT

John Kraynak, 48, of 2892 Waterman avenue, is seeking renomination without opposition to his fifth consecutive four-year term on this year's Democratic ticket of Madison county.

Prior to his election as county auditor 16 years ago, Kraynak served two years as deputy clerk of Madison county. He is a native of Bonne Terre, Mo., is a member of the Catholic church, the Elks Lodge, the American Legion, the American Legion, and the Amvets.

Kraynak attended St. Louis University where he studied two years in the commerce and finance school, two years in the college of Arts and Sciences, and a year in law school. He also attended a special course in data processing, business and management, at Southern Illinois University.

He is a past president of the Illinois Association of County Auditors. During world war II he attained the rank of staff sergeant in the Army, serving in England, Africa and Italy.

REPUBLICAN

Pete E. Fuchs, 41, of Alton, is making his second bid for election to county office this year as a candidate for nomination as county auditor in the Republican primary. Fuchs was defeated two years ago as a Republican candidate for the office of coroner.

Fuchs is president of Illinois Credit & Adjustment, Inc. He was employed in industry prior to entering business for himself.

He attended Alton high school and Washington University. He is a member of the Rotary Club, the Episcopal church in Alton, Franklin Lodge AF&AM, the Elks Lodge 877 AF&AM, the Scottish Rites Bodies, Grand Shrine, Tri-City Shrine Club, Knights Templar, United Order of the Knights of Pythias, Pythian Sisters, Eastern Star and is a past officer of the White Shrine.

He also is a member of the Elks and Moose lodges, Tri-Cities Chamber of Commerce and Chauffeurs & Teamsters Local 525.

In the business field, he is a member of the Illinois Funeral Directors Association, National Funeral Directors Association and Associated Funeral Directors.

COUNTY RECORDER

DEMOCRAT

James F. Chapman of Collinsville is completing his third term as Madison county clerk of the circuit court. He is a candidate for re-election in the June 11 primary election.

Chapman began his election to county office, formerly served as a deputy county clerk, deputy county treasurer, secretary to the Board of Review and assistant to the chief deputy sheriff.

He is a member of the Presbyterian church where he has served on all its governing bodies and is a member of the choir. He also is a member of Masonic Lodge 712 of Collinsville AF&AM.

Chapman is married to the former Tessie Cheroff and they have three children, all living in Collinsville. He said he is making his bid for a fourth term on his record 12 years, pointing out that an entirely new filing system has been installed in the recorder's office, a photostat machine installed that provides exact copies for filing, new program of microfilm inaugurated and other business procedures instituted.

Chapman said that during his first term in office he turned over to the county \$80,000 in excess fees, in his second term turned over \$146,269 in excess fees, and during his third term accounted for \$168,000 in excess fees. The excess fees are an amount over the total cost of operating the Recorder's office. In July, 1967, Chapman was awarded a certificate of merit from the National Association of County Recorders and Clerks.

REPUBLICAN

Charles W. "Bill" Burns of Collinsville, operator of a Granite City cafeteria, is a candidate for nomination as Madison county recorder of deeds on the Republican ballot. He has no opposition, thus assuring his nomination in the June 11 primary.

Voters Ballot Separately On Two School Trustees

Voters balloting in next Tuesday's primary election will receive, along with the regular party ballot, an additional small white ballot on which they may vote for election of two members of the Madison County Board of School Trustees.

Both candidates listed on the ballot—Karl Moore of Collinsville and G. A. Shaffer of Jarvis township—are incumbents and are up for re-election to new three-year terms. Moore has been a member of the board since it was created in 1953.

Since board trustees are elected rather than nominated

in the Illinois primary, both candidates will be returned to the board by default. The trustee election under Illinois law is bi-partisan, requiring a ballot separate from the Republican or Democratic party ballots.

The Madison County Board of School Trustees consists of seven members with two terms expiring in each of two years and three terms expiring the third year. The board is responsible for handling all real estate held by school districts within the county, for deciding problems of annexation or detachment and for establishing all boundary lines of all districts.

Larger Alton Locks, Nameoki Overpass Sought

The Tri-Cities Chamber of Commerce board of directors, holding its June meeting Tuesday night at the Rose Bowl, adopted resolutions encouraging enlargement of the Alton locks and a new overpass at Kirkpatrick Homes.

The chamber went on record as pointing out that "traffic on the Mississippi River in the Tri-Cities area is reaching the upper limits of its capacity" and that water transportation is essential to export and receive raw materials.

With local growth affecting the river and the "inadequate locks currently the most significant restriction to expansion," the chamber supported an Army Corps of Engineers proposal "to relocate and enlarge Locks No. 26 and thus expand the capacity for moving goods and raw materials" on the Mississippi River basin system.

Hopli, Shopper Hazards The Tri-Cities Chamber of Commerce board of directors Tuesday night voted that Nameoki road is being widened to four-lane highway and that many school children must cross it.

The chamber said traffic hazards already exist and will be intensified by the widening. Factors cited were the proximity of the housing project population and the presence of a shopping district across Nameoki road.

It was announced that the most comprehensive industrial site map project in the Tri-Cities area is nearing completion. Participants in the map project include the Chamber, Tri-City Regional Port District and Illinois Metro-East Industrial Development Corp.

The agency has decided to urge the state to include shrubs and other landscaping in its widening project (Nameoki road) in the northeastern area of the Quad-Cities.

Tree Planting Proposed Planting of poplar trees and shielding of the view of scrap yards would aid the appearance of Route Three (Missouri avenue) at the Granite City intersection, an Area Improvement Committee, said.

No recommendations are being made at present on the appearance of Netherland avenue, Pontion road or so-called Nameoki road, said Allen Jesse reported.

Chairman Charles Baricovic said data has been collected for a brochure to be given to "newcomers" to this community.

Vice-President Leo H. Konzen reviewed progress of committees studying Granite City school needs in taxation and

President Howard W. Kaseberg said proposed Chamber election bylaw changes are being referred to the advisory committee for a recommendation.

The 1968 Chamber "play day" was set for this fall at the Sunset Hills Country club, daymaster of Madison and

Burns was born and reared in the Quad-City area and has been a resident of Collinsville for the past 16 years. He is a veteran of world war II, a member of the Veterans of Foreign Wars and the American Legion and a member of the Chamber of Commerce of the Tri-Cities.

He has operated a restaurant business in Granite City for the past 22 years. Burns has been in his group's procedures based on a study by the U. S. Chamber consulting service.

He said that he is running for office not as a gesture, but in the expectation of a victory that could help solidify the two-party system in Madison county.

Burns commented that there is a new enthusiasm in the Republican party and that vigorous effort by all GOP candidates can result in victory in November.

Voter Registration at New High—115,304

A new Madison county registration of 115,304 voters, an increase of 3861 over the last official figure of 111,443 in April, was announced today by County Clerk Eulalia Hotz as her office began winding up preparations for next Tuesday's primary election.

Of the total number of registered voters now on the books, 34,279 are in the Quad-Cities, Miss Hotz said. This is an increase of 1420 registrations over the official figure of 32,859 voters registered in the Quad-City area for the November 1966 general election.

The new registration tally was completed as Miss Hotz and her election staff continued the job of distributing official ballots and election materials to judges of Madison county's 185 precincts for next Tuesday's primary balloting. Miss Hotz said the new mobile van recently used for registration purposes was being used to deliver the county in delivering election materials.

Ballots Delivered

Ballot deliveries were made by Miss Hotz in Chouteau and Nameoki townships, as well as part of Granite City township, Tuesday. Deliveries to the remainder of Granite City precincts and those of Venice township were being made today, Miss Hotz reported. Deliveries in Edwardsville tomorrow will wind up pre-election chores with exception of closing out the absentee balloting period.

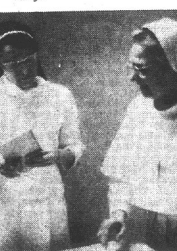

New Administrative Resident at Hospital

Sister Mary Daniel, the third successive administrative resident from St. Louis University, has begun her year of administrative experience at St. Elizabeth Hospital.

She will spend the next 12 months working under the preceptorship of Sister Mary Thomas, administrator.

Sister Mary Daniel, a Benedictine Nun, is from Crookston, Minn., and began her career by teaching in elementary schools. She then spent ten years at St. Catherine's College, St. St. Louis, Minn., with a major in Business Education. For the following two years she worked as business manager of her Mother House in Crookston.

She came to St. Louis for the first part of her hospital administration program, the classroom work at St. Louis University.

VOTE FOR A DOCTOR FOR CORONER

DR. EDWARD MULVILL

Democratic Candidate for Coroner

Primary Election Tuesday, June 11

Absentee balloting has been under way since May 13, but will end at noon Saturday. The county clerk's office will remain open until noon to accommodate last-minute voters.

Miss Hotz today urged all persons planning to cast an absentee ballot to do so before the Saturday morning period of voting in her office, where polling booths have been set up for absentee voters.

"Voters who are able to do so should get their absentee balloting completed before Saturday morning as we usually have a long line of persons who are out-of-town except during the weekend and Saturday morning is their only chance to come to the office," she said.

The county clerk's office will be open Saturday only for the purpose of casting absentee ballots.

Miss Hotz said that high interest in registration activity this year, resulting in the increased voter registration, indicates that a heavy vote can be expected in this year's primary.

Record High Registration

The new registration is a record high for Madison county. Total registration for the November 1966 election was 112,486. Revision of registration records during the interim decreased the rolls to the 111,443 figure as of April 1, this year.

Miss Hotz said the registration lists show a total of 18,989 voters now registered in Granite City township, up 681 over the 1966 figure.

Venice township was the only one to show a decline, but only two voters less than the 1966 registration figure for Venice.

14 Burglaries, Thefts Reported Here This Week

Burglaries were reported at an auction barn, a church, a restaurant and a home and thefts occurred at a fish market, garages and from vehicles as 14 crimes were reported to Quad-City and Madison county authorities this week.

Rev. James Eldridge, pastor of the Free Methodist Church, 22nd and State streets, reported at 1:20 p.m. Monday that someone stole 144 ball point pens with the name of the church printed on them and 12 or 13 penny banks shaped like a Lincoln penny between May 26 and Sunday. There was an undetermined amount of pennies in the bank. There was no sign of forced entry.

Burglars pried the lock off a door and broke into the Auction Barn, Seventh and State streets, Madison between June 1 and 4, according to a report to Madison police at 11 a.m. Tuesday. A soda machine and cigar machine were pried open and an undetermined amount of cash taken. The thieves helped themselves to sandwiches from the refrigerator and had moved a quantity of copper tubing near the door, but apparently were frightened away before they could load it, police said.

Four men who represented themselves as agents of the Highland vending machine firm opened a cigar machine at the Family Restaurant, Route 162, and left with the money. It was reported to the sheriff's office at 12:30 p.m. Monday. They used a key. A check showed that the vending firm does not exist.

Irl H. Pobst, Rural Route One, reported at 9:30 p.m. Tuesday that his agency debit book containing about \$3500 in insurance checks were stolen from his auto parked in the 1900 block of Delmar avenue after 7 p.m. He placed a stop order on the checks. The right front vent window of the car was forced.

Copper from butane tanks was stolen at William Nichols fish market on Bond road, he reported to the Madison county sheriff's office at 12:35 p.m. Tuesday. A 1953 green auto with two men and a woman was seen headed toward Route 1.

LeRoy Morris 2134 Cleveland Blvd., reported at 9:10 p.m. Tuesday that a 19-inch table model television set was stolen from his home. There was no sign of forced entry, but a win-

Red Cross Called Vital to Soldiers Here, Overseas

Vital services provided by the Red Cross to servicemen here and overseas were cited by two speakers at the 1968 annual meeting of the Tri-City chapter Tuesday night at the Army Depot.

Col. Charles E. Hoskin III, Depot commander, gave examples of communications transportation and financial aid to military personnel stationed in remote places during times when there is a death, serious illness or other crisis involving their families.

Newly back from a year in Vietnam, Leslie A. Boone, Red Cross field director at Scott Air Force Base, said the services include verification of problems, grants and loans, counseling and assistance in obtaining compassionate reassignment related to the health and welfare of servicemen and their relatives.

He and other Red Cross personnel overseas worked virtually 24 hours a day in providing the principal link between military personnel and their loved ones, Boone said.

Both speakers stressed that the government is not equipped to provide such services, which were described as essential to the morale and well being of the armed forces.

Col. Hoskin reported an incident Tuesday in which the Red Cross aided an Alaskan serviceman and his family here, and recalled similar instances in his own life and among men under his command.

The Red Cross, which also provides aid in times of natural disaster, flood and civil disorder, was founded 105 years ago, Col. Hoskin noted. He stressed the importance of its wartime role can be understood when it is realized that there have been only 250 peaceful years in the 3400 years of recorded history.

Bernard Pinney, director of personnel administration at St. Elizabeth Hospital, was elected and installed as the new Red Cross chapter chairman. He replaced Vice-Chairman Melvin Gillie, Treasurer Carl Thornberry and Mrs. Leona Pfaff, secretary.

Gillie presented J. S. Absalom with a framed certificate in recognition of his service as chapter chairman during the past two years.

Prayers were offered at the dinner meeting by Rev. Gail Cross, pastor of the Nameoki Presbyterian Church. Those in attendance included Mrs. Ruby Overbeck, executive director of the chapter and representatives of other Quad-City service organizations.

Mrs. Vina Shone, Charles Ragan and Ralph Fraga were elected to the board of directors, with Gillie and B. Roger Ward named to second three-year terms. B. C. O'Neill retired after six consecutive years on the board.

Rt. 151 Paving to Begin in Two Months
Paving of 4.5 miles of Federal Aid Route 151 from north of West Pontoon road to the Granite City Army Depot will begin for about two months, according to a spokesman for the Sangamo Construction Co., Springfield, the contractor.

More preliminary work is required on the \$1,600,000 contract before concrete can be poured, including earth preparation, he said today.

Public Aid Case Load Up, But Total Payments Drop

The number of Madison county public aid recipients jumped to 10,477 during the month of March, but total aid payments dropped \$70,862 for a March public aid load of \$696,308, it was reported today by Harold O. Swank, director of the Illinois Department of Public Aid.

During February, 10,128 clients received a total of \$767,170 in all five categories of public assistance, the report said.

Following the pattern of previous months, largest payments in Madison county went to recipients of Aid to Dependent Children who received a total

of \$318,636 in March, a decline of \$36,583 below the \$355,219 in ADC payments made in February. Aid to Dependent Children payments were made to 6715 clients during March, compared to 6233 in February.

A total of \$243,916 in old age assistance payments was made to 1387 recipients in March, compared to \$249,035 the previous month.

Disability pensions totaled \$89,494 for March, with 811 persons receiving aid, compared to February payments of \$126,795 to 722 persons.

Training Program for Orderlies at Hospital

An in-service training program for orderlies has been initiated at St. Elizabeth Hospital under the direction of Donald Stanton, supervisor of central supply, and Mrs. Betty Watson, L.P.N., in service coordinator. All orderlies and others who do related tasks attend a one-hour training session twice weekly. They learn new policies and procedures, including safety, patient transportation, sterile techniques, surgical preparation and cast removal.

Assigned to Atlanta

Sp4 Herschel E. Hurry, son of Mr. and Mrs. Oscar Knoebloch, Rural Route 2, Box 106A, Gillespie, Ill., is at the Atlanta Army Depot where he is assigned to the CSI Detachment. Men of the CSI (Conus Sustaining Increment) are taking on the job training in depot operations. Sp4 Hurry attended Granite City high school and since entering active Army duty has served a tour of duty in Korea.

of \$30,930 to 1335 clients in March, was a drop from the \$32,227 paid in February to 1689 clients.

B150 pension payments to 39 Madison county recipients in March amounted to \$342, while in February payments were \$383 to the same number of recipients.

Worthen Honored at Park Dedication

MILTON WORTHEN
Honored

Officials of the Granite City park district and municipal government, civic leaders and local citizens, gathered Monday evening for formal dedication of Worthen Park, the district's most recently completed park area along Maryville road, adjacent to Parkway elementary school.

Special guests of honor were Milton Worthen, a 47-year member of the Granite City park board for whom the new recreational facility was named, and members of his immediate family.

Adding to the dedicatory ceremonies were scores of youthful baseball players who lined the park's athletic field and heard laudatory remarks from representatives of various civic bodies.

Park Board President Barry Loman served as master-of-ceremonies and reviewed the history of the Granite City park district since its formation in 1921, noting that Worthen was one of the five original commissioners elected that year and returned to the board each ensuing election.

1st Park Cost \$6500
Loman commented that Memorial Park, opposite St. Elizabeth Hospital, was the first park area acquired by the district at a price of \$6500 for which the district received an initial sum of \$5200 from taxes to operate. He noted that the Granite City district will receive about \$210,000 in tax money this year to finance its extensive operations.

The board president said that after Memorial Park, the Granite City Board of Park Commissioners acquired Wilson Park, Triangle Park, the 24th street parkway, Beckman

Park, Tri-City Park and Worthen Park. He pointed out that close cooperation with local school authorities resulted in the establishment of Worthen Park and the new athletic area adjacent to Frohardt school.

Tributes to Worthen
Tributes to Mr. Worthen's years of public service, which span almost half-a-century, were paid by Alderman Richard Fry, who represented Mayor Partney; Richard Dawdy, vice-president of the Granite City Jaycees; and Leo Portell, Grand Knight of the Knights of Columbus.

Howard Kaseberg, president of the Tri-Cities Chamber of Commerce, reviewed the honored guest's association with the local park district and his tenure as president of the Illinois Park Association of Park Districts in 1962.

Reminiscing about their early association during inception of the park district, Henry D. Kananjiff, who was appointed board secretary in 1922, also recognized Mrs. Worthen for the support given her husband throughout the years.

Mrs. Worthen was presented a bouquet of roses by Loman, who also introduced the guest of honor to the audience. In brief remarks, Worthen recalled his "fine association with members of the current and past boards," noting that his efforts on behalf of the park district "have been and are still a source of great satisfaction."

Elected Nine Times
Currently serving his ninth consecutive six-year term on the park commission, Worthen has resided in Granite City the past 58 years. He was born and reared in Murphysboro and worked until his retirement in the engineering department of Granite City Steel Co.

Beside his activities with the park district, Worthen served seven years as a Granite City alderman and presently holds the post of a deputy director of the Granite City civil defense. He is a member of the state park association board of directors, St. Elizabeth Church and St. Louis, Knights of Columbus.

Other park district officials who praised Worthen's civic endeavors, included William Kozyak, vice-president of the local board, Attorney Randall Robertson, John Mink, treasurer and Frank Rea, secretary.

The next meeting will be at the home of Mrs. Coppedge, 3004 Willow avenue, July 2.

SOCIETY

Mrs. Markham Heads Trio Unit

Mrs. Mary Markham was installed as the new chairman of the Trio unit, Madison County Homemakers Extension Association, Tuesday at a meeting held at Hope Lutheran Church. Mrs. Shirley Schillinger, installing officer, conducted the ceremony. New officers include Mrs. Velma Neumann, first vice-chairman; Mrs. Sara Huber, second vice-chairman; Mrs. Naomi Kinney, secretary; and Mrs. Jerry Short, treasurer.

Those on the nominating committee were Mrs. Florence Rapp, Mrs. Hilda Klug and Mrs. Villa Ridings.

Hostesses for the noon meeting were Mrs. Mary Lewis and Mrs. Ivan Graklanoff. A demonstration and talks by members of the 38ers 4-H club were part of the program, dealing with posture, "meat on your menu" and kitchen tools. One member modeled an apron she had made.

Four-H members attending were Emily Berger, Patty Bade, Cheryl Gertsch, Mariann Yevin, Janet Bunselmeyer, Ann Henderson and Susan Walsh. Mothers present were Mesdames Mary Yevin, Ann Bade, Nan Henderson, Robert Walsh and Harriet Bunselmeyer, co-leader of the club.

The major lesson, "What My Health is Worth," was presented by Mrs. Sara Huber and Mrs. Dorothy Schanuel. Mrs. Huber submitted a report on a recent annual meeting where the Trio unit received a traveling gavel for enrolling the largest number of new members. It also was named a "blue ribbon unit."

Mrs. Edna Buenger's citizenship report was on "National Americanism Week." A publicity report was given by Mrs. Velma Neuman.

Those winning prizes in games were Mrs. Neuman and Mrs. Hilda Klug. Others attending were Mesdames Ruth Brune, Edna Buenger, Mabel Gertsch, Emma Jauch, Naomi Kinney, Virginia Little, Dorothy Luckert, Marlon Lybarger, Clara Schillinger and Rose Stearns.

The next meeting will be held July 2 at Hope Lutheran Church.

Mothers Honor Past Presidents

Past presidents of the De-Molay Mothers club were honored Tuesday evening at the Masonic Temple. Those honored included Mesdames Dessie Knipping, Lillian Baumeier, Sadie Jones, Bernice Fitzpatrick, Evelyn Ringering, Hazel Scherrills, Marie Naeve, Verna Stuart, Florence Spahr, Genevieve Grady and Pauline Sentiff. Gifts were presented to each of the guests.

Mrs. Grady read notes from several past presidents who are now residing in other states and were unable to attend.

Mrs. Hilda Few, president, presided at the business meeting. Mrs. Melba Tarloff was chairman of the games and decorations.

Refreshments were served by Mrs. Margaret Lowe and Mrs. Jean Hileman to those named and Mesdames Betty Elrecht, Betty McClintock, Iris Watson, Joan Brewer, Jerry Burkey, Jerry Clay, Johanna Collett, Hazel Staggs and Jo Meyer.

10 from Area To Get Industrial Course Degrees

Ten local residents will be among the 40 to receive certificates in Industrial Management on Saturday when Southern Illinois University-Southwestern commencement exercises for more than 700 degree candidates.

Recipients will include Edward B. Manogian, East St. Louis & Interurban Water Co.; Claude P. Kessler and Mrs. Charlie Vunovic, both from General Steel Industries; Emile Raymond, Laclede Steel Co.; Joseph W. Edwards and J. R. Shanks, McDonnell-Douglas Corp.; Ralph L. Elliott, Shell Oil Co.; Robert L. Eubanks, A. O. Smith Corp.; John Matras and Alec F. Williamson, U. S. Army Aviation Material Command.

The 7 p.m. ceremony marks the successful completion of two years of evening training on such subjects as quality control, material handling, Illinois labor laws and others. The curriculum included eight 12-week courses, and were taught in Granite City, East St. Louis and Alton.

Dale Blount of SIU-SW's Division of Technical and Adult Education, said the current group of graduates increases to 374 the total number of persons to receive certificates since the program started in 1956.

Council to Meet Friday on Storm Sewer Easements

Two meetings on the city's storm water drainage project were announced during Monday night's Granite City council session.

The aldermen are to meet at 8 p.m. tomorrow with representatives of Granite City Steel Co. to negotiate easements on the steel firm's property and are to meet Monday evening with the contractor, S. M. Wilson & Co., to go over the construction schedule.

Alderman Fry commented he had heard the steel firm wants the city to trade a section of August street for the easement along East 23rd street, but there was no confirmation. The meeting with the contractor, a dinner, is to outline a precise time schedule on sections of the city where streets will be excavated.

Alderman Bartosik, chairman of the Special Sewer Committee, said several easements also are pending with Illinois Power Co.

Poles Still a Problem

Mayor Partney is to meet again with representatives of Southern Bell Telephone Co., Illinois Power Co. and the state highway department on relocation of poles that are in the new sidewalk along the south section of Nameoki road.

Partney said the poles were set by the telephone company in accordance with plans received from the state highway department. "The company," he said, "is willing to move the poles, but wants the city to obtain the necessary 24-inch easement on the east side of the sidewalk. We've already negotiated easements for the roadway and we won't do it again. The state should have advised use of the need for the pole easements."

He added that an alternative

would be for the poles to be relocated along the east edge of the sidewalk, protruding into the sidewalk for the diameter of the pole. The mayor said he did not want this. He noted that the telephone company and Illinois Power are sharing use of the poles, which primarily carry a Chicago trunk phone cable that is too old to be placed underground.

Approval was given a performance bond submitted by Midwest Blacktop Roads, Inc., Collinsville, for the summer street maintenance contract soon to get under way at a cost of \$33,824. The contract calls for application of 17,725 gallons of road oil, 71,200 gallons of liquid asphalt and 3638 tons of seal coat aggregate.

Alderman Johnson requested the city's motor fuel tax engineer to contact G. H. Sternberg & Co. for placement of added blotting materials on the recently improved sections of Clark, Garfield and Lindell avenues where asphalt "bleeding" occurred over the hot weekend. He also asked the mayor if he was going to sign the MFT contract with H. Seebold Co. for the Johnson road improvement.

Tree Removal Opposed

The mayor was asked to meet with state highway officials concerning a complaint from the Lincoln Place Mission and several residents of the 700 block of Niedringhaus avenue on tree removals along Niedringhaus avenue for the tie-in with Route 151 at the Army Depot gate.

A letter was received from Vivian Wilson, director of the mission, who said two oak trees could have been replanted if

proper notification had been made. Alderman Basarich said that even though the trees were on city property between the sidewalk and curb, that the city should receive advance notice of the removals. Mayor Partney said he was unaware of the state actions until the letter from the mission was read by City Clerk Pendleton at the meeting.

Basarich added that eight trees were removed on May 29 and others are to be cut down in the 600 block of Niedringhaus.

Nonn asked the mayor also to get an answer from the state on when the Route 151 frontage road from the West 20th street alley to the Cayuga street alley is to be undertaken and the drainage problems correct on Emzee, Harding and Morgan streets. "The state spent thousands of dollars to get the houses for the frontage road and the houses still stand, and the people living along the right-of-way are being flooded with every rain," Nonn stated. "They're not closing Denver street until that frontage road is in."

Miss GC Parade June 14

Permission was given the Jaycees to hold their Miss Granite City motor parade throughout the city on June 14, starting at 6:15 p.m. at 2700 State street. Police will provide an escort.

The city was notified by an East St. Louis law firm of an intent to file suit for a Theresa Kuhn, no address given, who was hurt in a fall on the Wilson Park ice rink on Jan. 21. City Atty. Allen noted the suit is to be directed against the park district rather than the city.

Received and filed was a letter of appreciation from the state Air Pollution Control

New Destination for Income Tax Payments

Taxpayers who filed a declaration of estimated income tax for 1968 are being reminded of the payment due June 15 and that this time their remittance should be sent directly to the Internal Revenue Service Center, Kansas City, Mo.

A self-addressed envelope was enclosed with the state's reminder to taxpayers and should be used to forward their remittance to the Service Center.

Annual Venice Lions Boat Party June 15

Venice Lions will hold their annual public boat excursion Saturday, June 15, from the Venice riverfront.

The "Huck Finn" will travel south past the Gateway Arch and go almost to the Jefferson Barracks Bridge before returning to Venice. A narrator will describe points of interest during the voyage.

Those participating are to go on board at 6:30 p.m. and the boat will depart at 7 p.m., returning at 9:30 p.m. The boat trip will be followed by a bar-

becue party on the riverfront. Tickets are being sold by members of the Lions club.

ENTERS AIR FORCE

Lee Mitchell of State street in Granite City, left Tuesday morning by plane for Lackland Air Force Base in Texas to begin basic training.

THIRD BIRTHDAY PARTY

Louis Eric Slekia, son of Mr. and Mrs. Robert Slekia, celebrated his third birthday Tuesday evening at the home of his grandparents, Mr. and Mrs. Tom Marlette, 1359 Edwardsville road.

Those present were Mr. and Mrs. Louis Marlette and children, Mr. and Mrs. Pete Hammond and son, Donald, Mrs. Verdeen Marlette and children, Mrs. Pat Nator, Mrs. Mary Ann, Rev. and Mrs. John Agee, Mr. and Mrs. Tom Marlette, Larry Marlette and Mr. and Mrs. Robert Slekia and family.

Bobby and Vincent Slekia of John Glenn drive are both in St. Elizabeth Hospital. Bobby is to undergo surgery today. Vincent has pneumonia and is undergoing tests.

E. St. Louis Man, 26, Shot 6 Times, Lives

An East St. Louis man, 26, was found shot six times at 3:25 a.m. Wednesday at the intersection of Black lane and Fairway drive, State Park Place.

He is Sidney Smith, who was taken to St. Mary's Hospital, East St. Louis, then transferred to Firmin Desloge Hospital, St. Louis, where he was expected to survive.

At the St. Louis hospital, he told Madison county sheriff's deputies the name of his assailant, also an East St. Louis man. A hold order was placed on the suspect.

Smith made it 40 feet from his 1963 auto to the front steps at the home of Mr. and Mrs. James P. Hall, 3301 Fairway drive, and was bleeding profusely.

The Falls were awakened by three shots and heard an auto drive away. They saw Smith in his auto and called for deputies and an ambulance.

The victim was shot twice in the right shoulder, twice in the right side of the neck, once at the base of the right ear and once at the base of the chin.

Slugs and shell casings were found in the auto, and the window on the driver's side was shattered. Deputies found a .38 caliber revolver in Smith's pocket.

Area Levee Work Should Increase, Candidate Says

The East Side Levee and Sanitary district was described today by Paul Zupan, Granite City candidate for Democratic nomination as a levee board trustee in next Tuesday's primary election, as a "monster foisted upon us by a Republican administration ages ago in St. Clair county," and said it has been kept in power by a "decadent" St. Clair county Democratic administration.

Zupan, business representative of the Bricklayers' Union and a political ally of Dick H. Mudge of Edwardsville, and Richard Allen, Granite City attorney, in a coordinated fight against the Madison-Vandalia Democratic organization, said in a pre-primary election statement that "I question the necessity and legitimacy of many of the acts performed by the levee district and, therefore, I am concerned that the tax that we are paying for the performance of these duties is unduly high."

Zupan pointed out that the assessed valuation of Madison county very nearly equals that of St. Clair county which he said that of the legitimate acts being performed by the levee district, approximately 90% should be performed here in Madison county and 50% of the employees should reside here in Madison county.

"This is something which the two members from Madison county have been unable thus far to accomplish," Zupan said. He said that if nominated and elected he would oppose "creeping" both in employment and project allocations, and said he would oppose projects which are not of a benefit to a sufficient number of residents to justify the expenditure.

Zupan said "a close look" will have to be taken at the proposed hillside drainage project "to ascertain if an expenditure of millions of dollars, with no having recourse to a referendum, is justified."

The candidate said: "From what I know of the performance of the employees of Madison county, from the attorney on down to the clerks to the laborers I would approve of their performance at this time. What I question is the cost of the administration. This is where the decisions are made that are affecting the size of the tax levy."

"If elected, I will strive to see that the levee district is operated in a businesslike manner. If this is found to be impossible, I will be forthright enough to say so, and then work toward dissolution of the levee district."

"A taxing district must be a servant of the people, not a tax burden going its own way, unmindful of the wishes of the tax-paying citizens. In Granite City, we pay as much in taxes to the levee district as we do to the park district, township and Madison county combined. Therefore we should be getting as much service from the levee district as we do from those three."

The youth was arrested at 3 p.m. Monday at a local industrial plant on a complaint signed by Lawrence Hartman, assistant state's attorney. Voinovich was accused of stealing four-barrel carburetors and engine heads valued at more than \$200 from a J & J Speed shop about a month ago.

He pleaded not guilty and was released on \$4000 recognition bond. Voinovich is 16 years old, son of a Dyer act (taking a stolen auto across state lines). The court was in the west when he was a juvenile.

Robert Francis today announced the opening of his law office at 2740 Madison avenue. Francis, a life-long resident of Granite City, is a 1931 graduate of Granite City High school. He practiced in East St. Louis and Belleville upon his graduation from the Washington University School of Law in 1965.

He and his wife, Jeanne, and their two daughters reside at 3244 Erin drive. She is a fourth grade teacher at Marshall school.

Additional survivors of Ronald James, 21, of 1939 (r) Cleveland blvd., who died May 30 in St. Louis City Hospital from injuries received in an auto crash the same day, include his mother, Mrs. Jewell James of Sand road, Edwardsville, and two brothers, Greg and Timmy James, of the same address.

A Vietnam returned, the youth also leaves his wife, Mrs. Shirley (Courtney) James; two children, Ronald and Kim Marie; his father, Melburn James of Granite City; one sister, Mrs. Bob (Ellen) Godwin of Ketchikan, Alaska; and several step-brothers and sisters.

Vietnam Program for Retired Civil Workers

Granite City Chapter 1067 will hold a monthly meeting of the National Association of Retired Civil Employees at 2 p.m. Monday, June 10, in the La Granada Room of the Granite City Army Depot officers' club.

President Edward J. Erney said color slides of Vietnam and a narration will be presented by Capt. Williams of the Depot staff. Refreshments will be served and a business session will be held. All retired federal employees and their spouses will be welcome.

Approval Tuesday

Formal approval of a proposed dental school at SIU-SW was given Tuesday by the Illinois Board of Higher Education. Dr. Albert W. Tritan, Granite City dentist, was informed.

Dr. Tritan is the Madison District Dental Society representative to the state higher education board. The district consists of Madison, Bond, Macoupin, Hardin, Greene and Jersey counties.

The board approved without change the dental school plan recommended by a study group this spring. The proposal was the subject of several public hearings in recent weeks.

Implementation will depend on appropriations by the Illinois General Assembly.

Meeting in Chicago, the board approved a medical degree program at Southern Illinois University, Carbondale, along with the dental school at the SIU-Southwestern campus, with the hope the needed legislation can be undertaken at the January session of the General Assembly.

It is planned for the SIU-SW dental school to handle 50 students per class.

Also approved by the board was a recommendation to be made to the governor and legislature of a revised plan for a building with classrooms to cost about \$3,350,000.

Under the medical school program at SIU-Carbondale, the university is to set up intern and resident programs in area hospitals that may eventually include St. Elizabeth Hospital here.

History of Eastern Orthodox Church Told

The history of the Eastern Orthodox Church was traced for Madison Rotarians yesterday in a talk by Rev. Eugene Vansuch, pastor of the Nativity (Russian) Orthodox Church in Madison. It was his first anniversary as pastor here.

Allegiance was divided in the year 1054 between the western church in Rome and the eastern church in Byzantium, with the latter generally remaining under Greek influence, he related. Tracing its origin to the initial Christian faith, the Eastern Orthodox Church reached the U. S. in 1794 and the St. Louis area in 1890, the club was told.

Rev. Vansuch said the faith calls on each member "to be of active service within his community. He was introduced by John Sedlack, program chairman.

Dates of interest noted were 1862, when the Russian Secrecy of State Paul Powell to Granite City Rotarians June 18; installation of Metropolitan Anthony of San Francisco at the Round Table; and the Madison Memorial playground drive kickoff June 18.

Herman Odell of the Odell Iron and Metal Co. was inducted as Rotarian by Secretary Paul Fijan. President Harvey Miller presided.

GC Youth, 19, Bound Over to Grand Jury

Roger Voinovich, 19, of 1937 Grand avenue, was bound over to the Madison county grand jury on a charge of theft of more than \$100 at a preliminary hearing Wednesday afternoon before Magistrate Matosian.

The youth was arrested at 3 p.m. Monday at a local industrial plant on a complaint signed by Lawrence Hartman, assistant state's attorney. Voinovich was accused of stealing four-barrel carburetors and engine heads valued at more than \$200 from a J & J Speed shop about a month ago.

Velebit Lodge to Honor 23 Long-Time Members

Twenty-three local residents whose accumulated years of membership in Velebit Lodge 23 of the Croatian Fraternal Union exceeds 1224 years will be honored this weekend at the lodge's picnic-social celebration.

The annual event, to be held Saturday and Sunday at the Liberty National Home grounds, 14th street and Grand avenue, will be open to the public.

Brother Bernard Lukeitch of Pittsburgh, Pa., supreme treasurer of the national CFU, a special guest for the two-day celebration, will pay tribute to the golden anniversary members in a brief talk Sunday afternoon.

Among those to be honored are Jack Francis and Louis Komadina, 55-year members; Frank Bezan, Joseph Bozic, Martin Bruncic, Andrew Gasparovic s.r., George Murgich, Kate Jakovic, Mary Mejaski, Barbara Maras, Mary Skundrich, Caroline Snajdar, Janko Trgovic and Mary Stimac, 50-year members.

Barbara Mejaski, Matilda Murgich, 53 years; Anna Ja-

lich, John Gudac, Agnes Ivanic, Dragica Novosel and Luke Tadic, 50-year members; and Emil Plese and Katherine Stefanac, 51-year members.

Forrest Friend, picnic chairman, said a social evening and dance at 8 p.m. until midnight Saturday will start the celebration, with music furnished by the Croatian Sons, featuring vocalist Rudy Brynac.

A program of traditional dances and music will be performed between 2 and 6 p.m. Sunday at the Liberty Hall, spotlighting the Happy Strings Junior Tamburitza and Velebit Lodge 23 and Junior Nest 29 members under the direction of Ivan Lusnicic.

Sunday's activities will conclude with dancing from 8 p.m. to midnight to the music of Butch Bucherich and his Polka Band. Refreshments available at the two-day event will include barbecue lamb, sheekis and ribs, the chairman said.

Francis Seeks Account On County Demo Funds

Terry W. Francis, candidate for the Democratic nomination for state representative, has asked Walter "Buck" Simmons, county Democratic chairman, for an accounting of party funds handled by the county organization. In another statement, he called for changes in the tax revenue system, favoring a state income tax instead of other forms of taxation.

Most of the county party fund comes from lugs on state and county workers and from contributions from slated candidates, Francis said, with the money used to pay precinct committeemen to hire workers.

Francis said that if the books were opened, they would show that party funds are not distributed equally or by any set formula among the committeemen.

The books also would show that many state job holders in the inner-circle (the machine) do not pay their share into the fund, he said, asking the amount of money from state salaries paid by Christ Costoff (Venice township leader) or Horace Calvo, supported by the organization for the representative nomination.

He claims that most of the money is spent in primary elections, with little left for general elections for Democratic candidates as Paul Douglas. He complained that the organization is supporting Harry Briggs for state representative and said Briggs has been a Republican.

In calling for tax reform, Francis said that he favors an income tax to take the place of, and not in addition to, current methods of taxation. He said he also favors federal legislation to turn back to the states part of the federal income tax at the end of the Vietnam war.

He cited those with incomes of more than \$1 million who pay no taxes while others living on meager pension pay up to 25% through sales, excise and property taxes.

Jerry Ray Chandler Dies, One-Day-Old

Jerry Ray Chandler, one-day-old son of Sp/4 and Mrs. John (Sandra) Chandler, 2201 Woodlawn avenue, died at 7:10 a.m. Tuesday at Christian Welfare Hospital, East St. Louis.

Death was attributed premature birth. Survivors include his parents, maternal grandparents, Mr. and Mrs. Charles Kunick, and paternal grandparents, Mr. and Mrs. Charles Chandler, all of Granite City.

Sp/4 Chandler, who is stationed at Fairbanks, Alaska, with the U. S. Army, arrived home Wednesday for the services.

Private graveside services were held today. Further information is given in today's obituary column.

OLD-TIME PRE-ELECTION EXCITEMENT IS LACKING

To the Editor:

In 1922, I moved my family from Tennessee to Granite City.

When I left Tennessee the boss-ridden one-party system made it quite difficult to elect good men to public office. But when I came to Madison county, Ill., with its supposedly two-party system, I found it almost impossible.

In the days of prohibition, bootlegging and rival gangsterism flourished, and it was uncommon to find dead men's bodies out along the vicinity of Horseshoe Lake and on the road to Alton.

Having raised six children in Granite City, I found it incumbent upon me to make Madison county and especially Granite City a decent place in which to raise them. So I became very active in political, civic and school affairs.

I attended our city council regularly when that group of aldermen who became known as the "four horsemen" was sure to make every council meeting a lively one.

I attended several county board meetings when appropriations were being made for the county's business.

Lively opposition was made by the prairie sections of the county against the appropriations of funds for the maintenance of the Madison county tuberculosis sanatorium, making these sessions exciting and important to the industrial part of the county.

I sat as a petit juror in several sessions of the circuit court when our state's attorney, Lester Geers, was prosecuting those hoodlums, gangsters and killers who had gone unpunished, such as those involved in the notorious Shady Rest fire and massacre.

It has been my privilege and pleasure to help send to the penitentiary those characters to the penitentiary.

And I have on occasion sat as a juror in the Alton city courts when important cases were being heard.

I have written many letters on what I thought were crucial matters to the Press-Record.

In 1944, I moved to Bond County and it was my pleasure to introduce my old friend, Curly Harris, to my many friends around Springfield in among whom he became very popular.

Long before the "New Deal" I was what is now called a "liberal." Democrat, and it has been my pleasure to work and vote for such great liberals as Paul Douglas for United States senator and Adlai Stevenson for governor and in his two campaigns for the presidency.

I have always supported such liberals for public office that I had opportunity to vote for such as George Shipley for Congress when Bond county was in his district and, of course, my good friend, Paul Simon, first in the General Assembly and then as state senator, as long as I was in his district.

Now, I support Paul Simon for lieutenant governor.

In the first part of September 1967, I returned to Granite City, which had so expanded and so many changes had been made that I didn't know my way around.

I immediately registered to vote in the June primary and began to make some contribution into the political climate in these parts.

But, so far, I am able to learn, there is little political excitement in the air, and Granite City politically is not what it used to be.

I do not know for sure which precinct I am in, nor who my precinct committeeman is.

I do not know for sure which public office solicited my vote. So, if I do not learn more about who the candidates are and what they stand for, I will not bother to vote in the primary.

CRUSADE PUBLICIZED

To the Editor:

I would like to take this opportunity to personally thank you for the interest you have shown in the work and the program of the American Cancer Society.

It is through the media of publicity that our program of education, public and professional education and research can be brought to people. In this capacity you have helped us greatly.

As Crusade Chairman of Madison county, it is my duty to spread the crusade during the month of April for the American Cancer Society.

Only through the help of volunteers can we be successful.

We are all working for the cure of this dread disease that can't be too far away.

On behalf of the Madison county board of directors of the American Cancer Society and myself, we say "Thank you."

COPE SHOULD REVISE CANDIDATE SCREENING

To the Editor:

It is time to change the method of endorsing candidates by the AFL-CIO Committee on Political Education (COPE).

First, a great deal more research must go into the endorsements. Who can believe in the validity of a man who is as anti-union as Nom can be endorsed?

Second, no one serving on the screening committee should be able to consider candidates for an office where that person has a friend running.

Third, the screening committee should be enlarged so that a larger group is responsible for choosing the people endorsed; this would lend more validity to the endorsements.

I would like to say that the steelworker officials appear to be in good standing with the endorsed candidates. Perhaps they are guilty of "cronyism" and really don't like the endorsements too seriously.

After reading a letter from their candidate which was quite anti-union, I am only amazed at the endorsement for Terry Francis, a friend of working people.

SAYS UNION MEMBERS SHOULD VOTE FOR CALVO

To the Editor:

In the May 29 issue of the Press-Record, two letters reflected the views of most of the members. I vigorously support their views in this election for state representative.

A retired worker from Union Star who wrote previously has lost complete contact with the union, if he was ever in the union. What good union member would indirectly attack the United Steelworkers' attorney?

Recently when I finished work I was given some literature signed by a candidate for state representative.

Enclosed with this campaign material was a letter to the United Steelworkers' Legislative Committee at Union Star supported a candidate for state representative.

This absolutely disregarded the fact that the endorsement was completely contrary to the Committee on Political Education (COPE), the AFL-CIO, Tri-City Trades Council, and many of their own union members.

I support Horace Calvo for state representative.

I was also present at the United Steelworkers' annual meeting during the strike at Union Star when state representatives urged all steelworkers to support the people on strike at Union Star morally and financially, and contact their aldermen in helping pass the anti-strikebreaker Ordinance that Horace Calvo helped prepare (free gratis) for passage by the Granite City council.

The two strikes at Union Star and A. O. Smith should demonstrate to all organized labor that we must walk and march together.

Labor has endorsed Horace Calvo for state representative; let's work, support and vote June 11 for Horace Calvo.

NONN, CALVO LINKED

To the Editor:

In the school elections, the Non-Calvo forces were helping to bring about the labor-endorsed candidates.

This makes sense because Nonn is non-union and refuses to join a union, and I believe Calvo is against the right to strike.

Why should working people believe in endorsements when the people endorsed are so patently anti-union?

The only man I am for is Terry Francis, who cared enough to come to our union meeting to tell us where he stands.

to Church street, plus portions of the first blocks of North and South High streets and North and South Jackson street.

The report by a consulting engineering firm calls for parking space to be secured by clearing about 60% of the 16-block district bounded by Illinois, Lincoln, Charles and B streets. Parking and auto traffic would be eliminated on East Main street and possibly on some of the cross streets.

Financing would be by voluntary subscriptions from business firms or by creating a special assessment district, as authorized by the last state legislative session.

Traffic law changes, downtown renewal projects and other improvement measures are being discussed jointly by a Belleville downtown development corporation and a committee representing the municipal government.

The merits of the Belleville plan are not of as much interest to this community as the fact that some action is being taken and that merchants and city officials are proceeding cooperatively. Similar cooperation has been shown here on a limited basis, but any major upgrading of the central Granite City business district appears to be beyond the hopes or wishes of many retailers and elected officials.

Americans in general are of the opinion that the central Granite City business district appears to be beyond the hopes or wishes of many retailers and elected officials.

What will it take to make downtown area renewal here a target visible to and acceptable to all interested parties?

Bipartisan Action Best Way to Solve State Revenue Deficit

Gov. Shapiro and legislative leaders are right in discussing development of a bipartisan approach to solving the revenue deficit.

A court ruling reducing anticipated service occupation tax funds has created the prospect of General Assembly steps to find supplemental income. The governor has entered the picture as a leader of the majority party in the legislature and because it is the duty of his office to submit revenue recommendations.

On paper, \$231 million is needed, including \$140 million for state income tax, \$37 million to offset repealed inheritance tax changes and \$54 million to meet higher than expected public aid costs.

Gov. Shapiro estimates the July 1, 1969, deficit at \$170 million but has frozen capital improvements to reduce the amount of red ink. Senate Republican Leader Arrington sees a good chance to avoid any tax increase.

Fiscal experts have not completed an analysis of the potential deficit, but there is some indication that corrective action could be taken early in the regular session opening next January rather than this summer.

Whatever the decision, it is one that deeply affects every Illinois resident and property owner and should not be allowed to become a political football. To illustrate the gravity of the developing problem, estimates of expanded state spending in 1969-71 range from \$375 million, at the conservative end, to \$1 billion.

Write If Refund Delayed 10 Weeks

(Internal Revenue Service)

Q. My neighbor got his refund check a month after he filed; but I'm still waiting for mine, and it's been two months since I sent in my return. What's the hold-up?

A. The date the return was filed has to be all right. It is mailed to you. If it takes to issue a refund. Returns filed early can be processed and the check issued much quicker than returns that are received just before the April 15 deadline.

Unless you have an error on your return, you should be receiving your refund check within the next several weeks.

Q. How can I correct a mistake on a 1040-A?

A. Yes. Form 1040-X can be used to correct mistakes made by taxpayers filing either Form 1040 or 1040-A.

Q. Why does IRS want my name, address and Social Security number of someone who is a big winner at Keno or some other game in Reno?

A. This information is required so that the casino can report to IRS the payments it makes of \$600 or more of gambling winnings. This is similar to the procedure that race track officials follow.

Role of H. G. Wells in Development Of Science Fiction Literature

"The Future As a Nightmare," "The War of the Worlds," "The Island of Dr. Moreau," for example.

Wells was often quite optimistic in these stories, fascinated by the possibility of gadgetry solutions to a wide variety of problems.

Hillegas shows that the popularity of the Wells output inspired a lot of crude, unbelievable imitations.

There were also a number of satirical parodies. The influence of Wells is indicated in several dozen books, from Huxley's "Brave New World" to Vonnegut's "Player Piano."

Some of the comparisons are extremely brief, mere hints of what in the Wells corpus has influenced a host of other contemporary writers.

In pages packed with this sort of comment, the reader will find only a guide for further reading. But, in a number of chapters, the Wellesian theme is spelled out in detail and well-documented.

Dr. Hillegas has called attention to the Wells output in a perspective in which the literature of anxiety can be viewed.

He does not say much about the use of still other perspectives, such as the 19th-century non-fiction writers who resisted the optimism of science-fiction.

But "The Future as a Nightmare" is not intended as an exhaustive treatment. It is an effort to call attention to the importance of H. G. Wells, and in that effort the author succeeds.

He contends, however, that the modern anti-Utopian tradition was shaped by an earlier and somewhat different world, the world that existed prior to the first world war.

He undertakes to show that the kind of plot situations, the desire for missing scientific information and fantasy, and other features of the "nightmare" literature were the inventions of the English writer, H. G. Wells.

"The Wellesian fantasies" are the most popular in their day: "The Time Machine," "The Invisible Man," "Nineteen-Eighty-Four."

History Honors Program Planned at Ill. State

A new program of honors study will be instituted in September in the history department at Illinois State University at Normal, according to Dr. Earl A. Reitan, acting department head.

The program, designed to offer to highly qualified undergraduate students the advantages of an individualized program of study, largely under their own guidance, will be supervised by a department honors board composed of Dr. Kyle C. Sessions, Dr. L. Moody Simms, Dr. Lucy L. Tasher and the department head.

To qualify for entrance in the program a student must have attained junior standing, have a 2.8 grade point average for all his studies and a 3.5 average in history (4.0 represents straight A grades), a minimum of 12 hours of study in history, the recommendation of two history teachers, and permission of the honors board.

Film Seminar Planned At SIU-SW June 17-28

"Film and the Crisis of Value" is the theme of a film seminar to be held at Southern Illinois University's Southwest campus June 17-28.

Under the sponsorship of the humanities and fine arts divisions, the seminar will be held in the Communications building auditorium on Monday, Wednesday and Friday evenings at 7:30. Talks and screenings and discussion of films as expressions of contemporary man's attempts to cope with values are scheduled. The films will be from Italy, England and France.

On Monday, June 17, "Breathless" will be seen as an instance of nihilism and the speaker will be Prof. George W. Linden of SIU-SW's humanities division.

On Wednesday, June 19, the topic will be Alienation and John Knoll, humanities division instructor, will discuss the film, "Eclipse."

"Saturday Night and Sunday Morning" will be shown Friday, June 21, as an instance of frustration and the speaker will be Randall Nicholas of Washington University.

On June 24 "Last Year at Marienbad" will be discussed as an example of anxiety by Prof. James F. Scott of St. Louis University.

Robert Williams, S.J., St. Louis U., will discuss Hedonism with regard to the film, "The Easy Life," on Wednesday, June 26.

The last film in the series is Fellini's "8½," which will be shown Friday, June 28, as an instance of acceptance, with Prof. H. Wayne Schuth of Stevens College discussing the movie.

Admission to the film seminar is limited. A \$3 registration fee will entitle each participant to attend the six lectures, films and discussions and to a brochure of written comments on the films. Those wishing to attend should contact Prof. Linden, Philosophical Studies, Humanities Division, SIU, Edwardsville 62025.

who have demonstrated outstanding qualities of altruistic leadership, citizenship and character. In addition they must have earned a three-point average (B) to be eligible.

tion, it was announced by that agency following a routine study and campus visit.

The council also indicated that all programs preparing elementary and secondary teachers at both the graduate and undergraduate level are fully accredited.

Also accredited are programs at the master's level for preparing elementary and secondary principals and guidance counselors. The council will review all programs again in 1972.

Youth World Planned By SIU for Aug. 18-23

Applications are being accepted for the seventh annual Youth World scheduled for Aug. 18-23 on Southern Illinois University's Carbondale campus.

The program is sponsored by Youth World Inc., in cooperation with Southern's division of technical and adult education and department of government and is open to young men and

women who have completed the junior year of high school, according to T&E assistant Dean Glenn E. Wills.

Youth World is designed to develop qualities of leadership in its participants, Wills said. The students act as delegates to a mock United Nations assembly which provides experience in the problems of committee and legislative work as well as giving insight into special problems of other nations and America's position in world affairs.

The program is limited to 60 students who must be approved by their local school principal or superintendent and sponsored by a civic, professional, veteran or fraternal organization. Cost to the sponsoring organization for housing, food and conference materials is \$50 per student. This does not include transportation, Wills said.

Additional information and application forms are available from the Division of Technical and Adult Education, Southern Illinois University, Carbondale.

Ron Davis Competes for Business Teacher Title

Ronald D. Davis, son of Mr. and Mrs. John Davis, 2400 Milan avenue, Madison, left today for Washington, D. C., to compete in the national contest for "Mr. Future Business Teacher."

Davis is representing Phi Beta Lambda, a national business education fraternity, at Southern Illinois University-Southwestern campus, as well as the state of Illinois.

He was chosen "Mr. Future Business Teacher" for the state at a state convention of Phi Beta Lambda last April in Springfield. He received a grade of 91 on a test out of 100 points, the highest scored by anyone, to qualify for an interview. The next four highest contestants also qualified for the interview.

Judges were businessmen in the state. Davis received the award following a banquet at the convention. He is vice-president of the Eta Delta chapter of Phi Beta Lambda.

Davis is a business education major at SIU-SW where he is beginning his senior year. He will begin his student teaching at Belleville West high school starting in January.

The student also is president of the male chorus at the local campus and is a member of the concert chorale, a selected group of singers, which recently completed a four-day spring concert tour.

Miss Lahr to Study At Mexico University
Miss Almendra Marie Lahr, daughter of Mr. and Mrs. Guy Lahr Jr., 330 Lenox avenue, will leave soon to attend the University of Americas located in the mountains near Mexico City, Mexico, this summer.

She is a junior at SIU-SW campus majoring in Spanish and Music and will travel to Mexico with a study group from SIU Carbondale.

Her parents were hosts to a farewell party this week in their home in her honor. Guests attending were Leopoldo Killenbeck, Panama Canal zone, Pvt. Guy M. Lahr III, brother who is home on leave from Fort Dix, N. J., Mrs. Guy Lahr III, Lebanon, A. L. Douglas, an uncle from Bruceton, Tenn., Bernice Foust, Huntington, Tenn.

Richard Fletcher, Little Rock, Ark., Lawrence Berry, Paris, Tenn., Mr. and Mrs. Robert Wagner, Kenny Brockmeier, Ronna Brockmeier all of Edwardsville, Frank Akman, Linda Squibb of East St. Louis, Cathleen Hightight, Lynn Pullford, East Alton, Don Melander and Mary England of St. Louis, Richard Wagner, Sodona, Brister, Janet Segar, Danny Tankersley, Helen Hall, N. Albert Stevens III To Tour S. America

Albert L. Stevens III, son of Mr. and Mrs. Albert L. Stevens, 2457 State street, returned home this week from Princeton, N. J., where he has been a student at the Columbus Boy Choir School for the past two years.

During this time he completed the eighth and ninth grades and will enroll this fall at the senior high school here. This past year he has toured with the concert choir and performed one of the leads in an operetta at McCarter Theatre on the campus of Princeton University.

The choir also has appeared at the World's Fair Expo '67 in Montreal, toured New England at Yale University and several other colleges and universities. They have made several records appeared on TV in New York and Canada and during the Thanksgiving holiday presented a concert in St. George Newfoundland.

Stevens will return to Princeton for a month's rehearsal in July in preparation for a tour of seven countries in South America this August.

Young Stevens, now 15, has previously appeared as a singer, dancer and actor at the St. Louis Municipal Opera and at the Illinois State Fair. While he has been a student in the east, his mother, Mrs. Terry Green Stevens, worked in New York as a secretary, for the 20th Century Fox Film Corp. He is the grandson of the late A. L. Stevens, former city clerk of Granite City.

Miss Hamilton Graduates From Harding College

Karen Sue Hamilton, daughter of Mrs. Grace O. Hamilton, 1929 Sixth street, Madison, was among 240 students graduated from Harding College, Searcy, Ark., last week. It was the largest class ever graduated by Harding.

She received a bachelor of arts degree in elementary education with minors in English and history. She was a member of the Beta Tau Gamma social club for women, the Beta band and the Student National Education Association. She plans to teach in the Rockford school district.

GC Park's Youth Program to Include Physical Fitness

A physical fitness program for junior and senior high school age youths has been added to the Granite City park district's summer recreational program, said Harold Brown announced today.

Daily sessions from 12:30 to 1:30 p.m. and from 4 to 5 p.m. will be conducted Monday through Friday at the Wilson Park rink pavilion starting Monday. Classes will be supervised by Stanley Wojcik Jr., a Granite City high school teacher and coach.

Two other programs which

get under way Monday at Wilson Park include golf instruction, available to junior and senior high school age boys and girls, and adults, and tennis lessons open to boys and girls, eight to 17 years and adults.

Golf Instruction
Russell Chappel, faculty member and coach at the local high school, will instruct the golf sessions, which will be held during the initial two weeks of the program at Wilson Park near Fehling road and State street, and later at Arlington Golf Course.

All golf classes will be conducted from 1:30 to 3:30 p.m. on Mondays and Fridays, girls on Tuesdays and adults on Tuesdays and Thursdays.

Brown said the park district has been granted permission to issue ten permits daily to the Granite City Army Depot golf course and 20 permits daily for the Arlington Golf Course. Park district residents may apply for the permits at the Wilson Park office, he said.

Tennis Lessons
Persons interested in receiving tennis instruction in recreational tennis instruction will be

Services Held Today For Peter Barzoff

Funeral services were held today for Peter Barzoff, 52, of 1304 Iowa street, Madison, who died Monday, June 3, at St. Elizabeth Hospital. He had been ill six months and was hospitalized three days.

He was the operator of a used car business at 13th and Washington avenue and a member of the Madison Lions Club. Born and raised in Madison he was a member of the Holy Trinity Bulgarian Eastern Orthodox Church.

Among the survivors are a step-daughter, Mrs. Margaret Oliver of Granite City; his parents, Mr. and Mrs. Sam Barzoff, of Madison; a brother, Steve Barzoff, Granite City; one sister, Mrs. Philip Penka ("Pat") Tsigalaroff of Granite City; and three grandchildren.

Funeral arrangements are being given in today's obituary column.

Advanced Cosmetology Course Planned at SIU

The 14th annual School of Advanced Cosmetology at Southern Illinois University, Carbondale, will be held Aug. 4-14. The ten-day school for licensed beauty culturists is offered by the Illinois Hairdressers and Cosmetologists Association in co-operation with Southern's Division of Technical and Adult Education, and is approved by the National Hairdressers and Cosmetologists Association.

Paul E. Barnes of Oklahoma City will be guest artist for the school and will be assisted by members of the Illinois Hair Fashion committee. SIU faculty members will teach academic courses. Tuition and fees for members is \$176, for non-members \$191 and the graduate course will be \$75. City to Award Trash, Garbage Pickup Contract

Granite City council members are expected to decide at an adjourned meeting tomorrow night on award of a new three-year contract for garbage and trash collection.

Three bids were received in April and have been under review. Alderman Robertson, who presented the report at Monday night's council session, said the low bidder, a local partnership of Robert Jarrett and Ellis Angle Jr., both of Granite City, is to be given additional time to qualify. The partners have requested permission to submit a \$20,000 performance bond, while the city is requiring a \$75,000 bond.

The partnership submitted a bid of \$128,388 a year with twice-a-week collections during June, July, August, and other bids on the same specifications were \$193,918 by Milan Corp. of St. Louis and \$214,250 by the present contractor, National Disposal Corp. of Barrington, Ill.

Robertson said the present contract expires July 1.

Several aldermen commented that while they would like to award the contract to the local firm and the low bidder, that they preferred an experienced firm with the proper performance bond. Nunn said he wanted all eight men now employed by National Disposal to be retained on their jobs.

The matter was discussed during a 20-minute recess called by Robertson midway through the council session and also was discussed on the council floor.

Robertson pointed out the \$20,000 performance bond requested by Angle and Jarrett was not sufficient. "We need a little more protection for the people," he added.

Alderman Fry asked if the committee had given consideration to the landfill sites submitted by the bidders.

Angle and Jarrett plan to use the MAL Landfill on Chouteau Island, while Milan has a site near East St. Louis at the junction of Routes 70 and 203. National has been using the city dump along Route 203, south of Madison.

Robertson said an inquiry has been made to the state to determine if the sites are operated in accordance with Illinois regulations.

Masquers Preparing for Production June 13 to 15

Wesley Loper of Granite City and James Swanick of Collinsville, will participate in the next production of the Masquers, Inc., entitled "A Thousand Clowns." The play will be staged June 13, 14 and 15 in the Communications Building Theatre at SIU-SW campus.

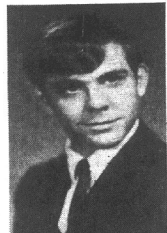

This will be Loper's second appearance with the Masquers organization, although he has appeared in several plays at Granite City high school, where he is a senior student. He has had roles in "Bye, Bye Birdie" and "The Wizard of Oz."

A member of the National Forensic League, he has entered several speech contests at school and has consistently achieved superior ratings. He plans to make the theatre his career, having attended Ethnic Dance classes under Miss Catherine Dunham and an acting workshop for high school students held at SIU. While at the workshop, he appeared in plays such as "The Diary of Anne Frank," "Of Mice and Men," and "Playboy of the Western World."

Loper was recipient of the alternate citizenship award, a special achievement award, and was selected as a college scholarship alternate. He was recently accepted to attend a theatrical workshop to be held at Northwestern University this summer. His outside interests include playing on the high school tennis team, fishing and the DeMolays.

Swanick will serve as the stage manager for this production. He has been with the Masquers organization since 1965. Like many of the Masquers members, he is a teacher, and has had a fifth grade room at Mitchell school. This fall he will begin teaching speech and drama at the new Grigsby junior high school in Granite City. He received his B.S. in Education with majors in vocal and speech at St. Cloud State College in Minnesota and has done graduate work in Theatre at SIU.

His theatrical experience includes numerous roles in college productions, service club shows while in the Air Force and two seasons of summer stock at the Little Theatre in Sullivan, Ill., where he worked with such stars as Peter Palmer, Pat O'Brien, Margaret Whiting and Ann B. Davis. He appeared in "Bye, Bye Bird-

le," "Music Man," "Oklahoma," "The Boy Friend," "The Unsinkable Molly Brown," and "Carnival."

His appearance with the Masquers have included "South Pacific," "Carousel," "Bus Stop" and "The King and I," recently portrayed Jacques in "Carnival." For his performance as Hines in "Pajama Game," he was awarded the coveted Masquer Award as best actor of the season.

Serving as director, he worked with the casts for "The Fantasticks," "Teahouse of the August Moon," and "Brigadoon."

Swanick was also president of the organization from 1966 through 1967 and is currently a member of the board of directors.

County EOC Receives \$24,952 Federal Grant

(Special from Washington)
U. S. Rep. Melvin Price announced approval Tuesday of an Office of Economic Opportunity special summer program grant to the Madison County EOC.

The amount of the grant is \$24,952 (\$23,672 in new federal funds and \$1,280 in re-programmed funds) and will serve an estimated 860 youths in the county for three months.

The program will focus on a number of activities, including recreation, education, cultural enrichment and job opportunities. The county director is Maurice S. Harris.

Two Local Winners In Area Rose Show

C. E. Eads, 2623 State street, who won first place in two categories at the annual rose show of the Greater St. Louis Rose Society held at the Missouri Botanical (Shaw's) Garden, also was runner-up to the grand prize winner with a rose called Frangrant Cloud. The other categories were floribundas and old roses.

In the arrangement competition all three prizes were won

GC Township Shows Balances

The monthly report of Township Supervisor Nelson Hagauer, showing May 31 balances in all three township accounts, was accepted Monday night by Granite City council members in their capacity as the town board of auditors.

In the general assistance fund, May disbursements totaled \$817, and the balance was \$13,875; while in the town fund, expenditures amounted to \$828, and the May 31 balance was \$19,680. In the retirement fund, there were no disbursements and the balance was \$1,083.

Current disbursements approved by the board were \$3053 from the town fund and \$2313 from the general assistance fund.

A resolution submitted by Town Atty. William Schooley for the township to accept \$921 of 1948 taxes being held by County Treasurer John Maeras on foreclosures and receiverships also was approved.

by Mrs. Mary Kristian, 2803 Indiana avenue.

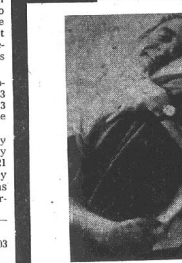

Recuperating from Cornea Transplant

Bryan L. Waggoner, 2514 Grand avenue, arrived home this week, from John Cochran Veterans Hospital, St. Louis, and is recovering from an eye operation involving a cornea transplant.

He was a patient in the hospital for three weeks and will receive further treatment for several weeks.

Rehearsals Set for Miss GC Contestants

One of eight young women will be crowned Miss Granite City at the 1968 beauty-talent pageant to be held at 8 p.m. Saturday, June 15, in the Granite City high school auditorium under the auspices of the Granite City Jaycees.

Rehearsals for the event, to select a successor to Miss Linda Sabo, Granite City's 1967 representative in the Miss Illinois Pageant, are scheduled to start this week.

An orientation session to familiarize candidates and their parents with rules and procedures of the contest was held Tuesday evening in the board room of Granite City Trust & Savings Bank, with Bruno Dmitrovich, chairman of the local pageant, reviewing the requirements.

The 1968 contestants are Miss Cynthia Settlemyer, daughter of Mr. and Mrs. Edward Settlemyer, 2932 Dale avenue; Miss Pamela S. Sciziglak, daughter of Mr. and Mrs. Frank Sciziglak, 2449 Hennock avenue; Miss Colleen Robertson, daughter of Randall Robertson, 2914 State street and Mrs. Pauline Robertson of Cambridge, Mass.; Miss Karen Randall, daughter of Mr. and Mrs. Wade Randall, 34 Victoria drive.

Miss Leetta Marmion, daughter of Mr. and Mrs. Clarence Marmion, 3015 Denver street; Miss Bobbi Jean Marcus, daughter of Mrs. Archie Beatty, 1004 Spring avenue; Miss bell Lee, daughter of Mr. and Mrs. Bing Y. Lee, 1812 State street; and Miss Vicki Lynn Duncan, daughter of Mr. and Mrs. Jerri Duncan, 3246 Franklin avenue.

Illinois Pageant

Winner of the Miss Granite City Pageant will compete against successful candidates from other local contests at the Miss Illinois Pageant, scheduled to be staged in Aurora in mid-July.

The victor is that competition, in addition to winning the right to try for the Miss America crown at Atlantic City in September, will receive a \$1000 scholarship award. A total of \$450,000 in scholarships is awarded annually in local and state contests.

Of this amount, \$250,000 is contributed by the Pepsi-Cola Co. and its 530 bottlers. Another \$200,000 in scholarships provided by civic-minded individuals and industrial organizations are offered at local and state pageants.

Each year, more than \$40,000 in scholarship grants are awarded at the national finals, ranging in value from \$10,000, received by Miss America, to \$1000 prizes for semifinalists. Runners-up receive \$3000, first, \$2500, second, \$2000, third, and \$1500, fourth runner-up.

Additionally, \$1000 grants are presented in the Miss America Pageant to the contestant selected the most talented dancer, most talented classical or semi-classical singer, most talented musician, most talented in all other fields (two scholarships), Miss Congeniality and all preliminary winners not included in the other awards.

Contest Rules

Candidates for the Miss Granite City title must conform to the contest rules, which are as follows:

Contestants must be single

Candidates must be of good character and possess poise, personality, charm and beauty of face and figure; each must possess and display a talent in a three-minute routine, talent may be singing, dancing, playing a musical instrument, a dramatic reading or she may give a three-minute talk on the career she wishes to pursue; contestants may be either amateur or professional.

Biographical and other information are presented in this article on four of the candidates. The same data on the other four was published in Monday's issue.

Bobbi Jean Marcus

Miss Bobbi Jean Marcus, 18, was graduated last week at Granite City high school. She has had special training in piano and dancing and plans to present her talents as a dancer in the pageant.

During her high school career, she was active in the Geyman Club, Red Peppers and May Day program and held membership in Job's Daughters and the Girl Scouts. Her hobbies include tennis, swimming, ice skating and horseback riding. She is five feet, nine inches tall, weighs 135 pounds, has brown hair and green eyes and her measurements are 39-27-39.

Karen Randall

Miss Karen Randall, 19, will present her talents as an artist in the Miss Granite City Pageant. She is employed by Southwestern Bell Telephone Co., and her hobbies are sewing and art.

She is five feet, five inches tall, weighs 113 pounds, has light brown hair, blue eyes and a fair skin. Her measurements are 36-24-36. Following graduation from Granite City high school in 1966, she attended Southern Illinois University-Southwestern campus for 1½ years. Her past activities include Spanish Club secretary.

cheerleading and Red Peppers. She also was a member of the GCHS May Queen and Homecoming Court.

Pamela Sciziglak

A blue-eyed brunette whose measurements are 35-23-35, Miss Pamela S. Sciziglak, 18, was graduated last week from Granite City high school, where she was a member of the Girls' Glee Club.

Active in Tri-Hi-Y clubs and Red Peppers, her interests also include swimming and bowling. She is five feet, six inches tall, weighs 117 pounds and will present a song-dance routine as her talent.

Cynthia Settlemyer

Concluding her freshman year at Concordia Teachers College, River Forest, Ill., Miss Cynthia Settlemyer, 19, was a Granite City Scholarship Foundation award winner in 1967. She has received special training in music and will perform a selection of violin music as her talent.

A 1967 graduate of the local high school where she was a member of the National Honor Society, Miss Settlemyer's interest in music has extended to membership in a small string ensemble, a Madrigal singing group and service as a tutor. She is five feet, four inches tall, weighs 120 pounds, has light brown hair, hazel eyes and olive complexion. Her measurements are 35-25-35.

Swim Classes Set for Pre-School Children

Registrations are being accepted for pre-school learn-to-swim classes at the YMCA, Forrest Cockrell, physical director, announced.

The classes, open to boys and girls of three, four and five years old, will begin Wednesday and run through Aug. 21. There will be a choice of a 10 a.m. or a 1 p.m. class on Wednesdays. William Doeblin, 88, Dies in California

Funeral services for William M. Doeblin, 88, of Hollywood, Calif., formerly of Edwardsville, were conducted Wednesday in Edwardsville.

Mr. Doeblin, father of Leo Doeblin of Granite City, died Sunday in North Hollywood Hospital. He was born in Alhambra and had lived in Edwardsville until his retirement in 1943 when he moved to California. His wife, Cora, died in 1957.

Also surviving are three other sons, a daughter; and a sister and nine grandchildren and six great grandchildren.

An employee of the Litchfield & Madison Railroad until his retirement, Mr. Doeblin was a member of the Order of Eastern Star 667 in Edwardsville, Chapter 146 Royal Arch Masons, Knights of Pythias Lodge and a former member of St. John's Methodist Church in Edwardsville.

Political Posters on Utility Poles Illegal

Political posters nailed to utility poles are illegal and are being removed in Madison by city employees, Mayor Stephen Maeras announced.

Illinois Power Co. officials complained that their employees are subject to injuries while climbing poles because of the nails used. There also is a power leakage during rainy weather, and the nails can carry electrical charges, the mayor added.

The mayor said that placards and bumper stickers posted on private property also are illegal and violators will be prosecuted.

Glenview Chapel Dedication, Homecoming Set for Sunday

The Rev. E. M. Clark, superintendent, and the Rev. Richard W. Dortch, secretary-treasurer of the Illinois Assemblies of God, will be guest speakers at the dedication services and homecoming Sunday of the Glenview Chapel Assembly of God, Maryville road at Wilson avenue, the pastor, Rev. M. W. Wilson, announced today.

Rev. Clark served Michigan and Nebraska churches and in 1951 was called to the International Headquarters of the Assemblies of God in Springfield, Mo., where he was national secretary of radio. In 1958 he accepted the pastorate of Bethel Assembly of God in Quincy, Ill., where he built a new church. In 1960 he was elected to his present position.

The Rev. Dortch of this city received his theological training at North Central Bible College in Minneapolis. He is a graduate of the Language School and University in Liege, Belgium, and was pastor of churches in South Dakota, Kansas and Illinois. He also served as field fellowship secretary for the Assemblies of God in Europe and since returning to the United States has served as missionary secretary. He is presently secretary-treasurer of the Illinois District Council of the Assemblies of God.

Rev. Clark will speak at the 2:30 p.m. service and Rev. Dortch will deliver the 11 a.m. service.

The Illinois District office headquarters was recently moved from Springfield, Ill., to Lake William at Carlville, where a Christian Center on 220 acres of land is being developed.

Auto Traffic Safety Is Kiwanis Topic

Clifton Blankenship, safety director at A. O. Smith Corp., was the guest speaker Monday evening at the dinner meeting of the Kiwanis Club at the Rose Bowl.

In speaking on automobile safety he said the three major problems in the U. S. today are—the war in Vietnam, disregard for law and order, and accidents on the highways, which last year claimed 52,000 lives and injured over a million people. The fatality figure, he said, is larger than the total of those killed in the war for the same period of time.

He also said drinking is many times a factor in accidents, as well as the use of drugs, either innocently or deliberately.

At the close of his talk, Blankenship showed a film on highway accidents in which General Motors used dummies the same size and weight as humans. It illustrated the reaction in a car without any safety features and with the use of safety belts. Blankenship stressed.

He also told the group that 1969 cars from most manufacturers will include head restraints, shoulder straps as well as the seat belts and doors that will not open in impact.

Final plans for the Kiwanis steak fry to be held this Sunday in Grafton.
